Love Poems For The Very Married:

Love Poems for the Very Married Lois Wyse,1979 More Love Poems for the Very Married Lois Wyse,1971 Arabic and Hebrew Love Poems in Al-Andalus Shari Lowin, 2013-11-20 Arabic and Hebrew Love Poems in al Andalus investigates a largely overlooked subset of Muslim and Jewish love poetry in medieval Spain hetero and homo erotic love poems written by Muslim and Jewish religious scholars in which the lover and his sensual experience of the beloved are compared to scriptural characters and storylines This book examines the ways in which the scriptural referents fit in with or differ from the traditional Andalusian poetic conventions. The study then proceeds to compare the scriptural stories and characters as presented in the poems with their scriptural and exegetical sources. This new intertextual analysis reveals that the Jewish and Muslim scholar poets utilized their sacred literature in their poems of desire as more than poetic ornamentation in employing Our nic heroes in their secular verses the Muslim poets presented a justification of profane love and sanctification of erotic human passions In the Hebrew lust poems which utilize biblical heroes we can detect subtle subversive and surprisingly placed interpretations of biblical accounts Moving beyond the concern with literary history to challenge the traditional boundaries between secular and religious poetry this book provides a new multidisciplinary approach to existing materials and will be of interest to students scholars and researchers of Islamic and Jewish Studies as well as to those with an interest in Hebrew and Arabic poetry of Islamic Spain On the Way to Here Phil Small,2017-10-23 This book covers a great deal of ground spiritually philosophically and emotionally The subject matter is often weighty yet it doesn't feel like that at all no small feat when discussing the origins and cycles of life birth and death and everything in between Moving from the particular to the universal to that place where we are all one the author uses moments from his life experience to help us better understand and appreciate our own journey Often in an understated manner he points out that just below the surface of the ordinary lies this other world where the truly meaningful and abiding realities of our lives frequently go unnoticed He gently turns over the stones on our paths looking for the meaning hidden underneath often finding real gems You will meet yourself more than once in these pages **Adult Catalog: Subjects** Los Angeles County Public Library, 1970 A.K.Ramanujan's Search for Creativity Dr.Sanjay G. Kulkarni, 2025-02-22 A K Ramanujan's Search for Creativity offers a deep dive into the poetry of A K Ramanujan exploring his unique role as an Indian expatriate poet The book examines his autobiographical reflections symbolic techniques and finely nuanced art highlighting his dual sensibility rooted in Indian tradition yet shaped by Western influences Through an exploration of his creative and translated works the study considers his contributions to postindependence IndoAnglian poetry and his lasting impact on the literary landscape This critical study focuses on Ramanujan's distinct approach to life and literature evaluating his psychological social and cultural insights It explores how his voluntary exile enriched his understanding of Indian history tradition and the global literary scene By offering a balanced perspective on his work the book affirms Ramanujan s

significant place in contemporary Indian poetry and his exceptional contribution to the craft **Astrology for Lovers** Liz Greene,1989-12-01 Looks at the characteristics mythology and sensuality of each sign of the zodiac and offers advice on The Story of an African Farm Olive Schreiner, 1896 finding one s true love Reissue The History of Marriage and Divorce Harry L. Munsinger J.D. Ph.D., 2019-11-05 Marriage rituals and divorce procedures have varied widely over time and across cultures The History of Marriage and Divorce explores the evolution of these two institutions from our early hunter gatherer ancestors through antiquity and the middle ages up to modern times In this book collaborative attorney and former psychology professor Harry L Munsinger explains the legal economic religious evolutionary and psychological issues involved in mating and divorcing This book will give readers insight into why humans marry divorce and remarry with such irrational abandon The reader will discover that the tendency to marry and divorce are partly inherited and the personal and genetic appeal of serial monogamy **Property and Virginity** Agnes Siggerour Arnorsdottir, 2010-05-31 Christianity changed the culture and society of Iceland as it also did in other parts of Northern Europe during the twelfth and thirteenth centuries One of the important areas of change involved the introduction of new rules on the legal requirements for marriage Property and Virginity examines Icelandic law codes marriage contracts and other documents related to court proceedings Based on extensive source material never researched before this pioneer study explores the very gradual Christianization of marriage in Iceland It shows that this process which lasted for hundreds of years had consequences for family and kinship politics for inheritance and property transfer and for gender relations As canon law began to change the old ritual of betrothal the virginal state of the woman entering marriage gained greater importance At the same time marriage in the Late Middle Ages continued to include many elements of its older understanding as a contract concerning property transfer between families A new perception of gender relations also arose whereby women became partners in the actual contract making The handshake was now between the husband and wife instead of between the father of the bride and her future husband The rituals connected to the different bonds gained new meaning marriage was no longer a financial matter alone but also involved religious beliefs and a closer union of the spouses Vikings Kim Hjardar, 2020-01-10 A concise history of the Vikings and their time by the Norwegian historian and author of Vikings at War From the ninth to the eleventh century Viking ships landed on almost every shore in the Western world Viking ravages united the Spanish kingdoms and stopped Charlemagne and the Franks advance in Europe Employing sail technology and using unpredictable strategies the Vikings could strike suddenly attack with great force then withdraw with stolen goods and captives Wherever Viking ships roamed enormous suffering followed in their wake but the encounters between cultures changed both European and Nordic societies This short history of the Vikings introduces readers to this highly influential medieval society Here you will learn how Vikings raided across Europe and even America with fascinating information about their ships weapons and armor and unique way of life **Dancing for Hathor** Carolyn Graves-Brown, 2010-05-07 The fragmentary evidence allows us only tantalising
