

## **Visions Of Love**

**I sit and think sometimes I would sink  
What makes me see pink it is all the  
Things we had thought about and  
Breaking up kept popping out rising  
Doubt and then you would shout why  
Are you ignoring me I would drift  
Searching for an uplift as my mind  
Was scared stiff while tearing rifts**

**But inside you are spiff I would never  
Let you jump off that cliff remember  
No slips but still tears begins to drip  
You would always say I was your Haven  
Tis you was Mine no matter what Life  
Throws at you the pain always hurt but  
sometimes not loving you always hurt  
A tad worse as the inner-self disperse  
It must have been our blessing and a  
Curse what was our relationship truly  
Worth must have been girth lifting it**

**From the grounded dirt I valued you  
More than Life itself it is what you had**

**Always said I took it like a sack of grain  
Upheld it deep inside the brain between  
Both lanes of veins and Somehow it keeps  
Me sane your voice became in sync to the  
Head Now lets break bread somehow it  
Keeps me sane I wouldn't ever want our  
Love to die in vain so many times I have  
Hated Life but it provides insight now I**

**See the guiding Light taking flight I'm  
Scared of These heights as it changes  
In front of me and this will always be the  
Setting Trends for the next centuries but  
Don't forget your soul is the key to its  
Centerpiece your heart never let it depart  
As I drop on both knees hear my pleas  
Don't ever let society erase what you  
Mean to me A best friend from the start  
That became Life's greatest work of Art**

## **Love Poems Love Life And Visions:**

**Innervisions** Calvin Daniel, 2020-01-29 Innervisions as my good friend Karen wrote in June 2002 is a collection of heartfelt poems that reflect the visions of a man who has experienced life and influenced many. These poems are a collection of my most inner thoughts and feelings and love of God, family and country. Most of these poems were written during the period from 1974-1976 on little bits of paper which I carried with me for over forty years. Innervisions is a book of poetry and visions of life, love, nature, peace and friendship. I wish to dedicate this book to my mother Vera who was a tremendous influence on my entire life and the successes I have achieved. Thank you, mama. **Love Visions** Geoffrey

Chaucer, 2006-05-25 Spanning Chaucer's working life, these four poems build on the medieval convention of love visions: poems inspired by dreams woven into rich allegories about the rituals and emotions of courtly love. In *The Book of the Duchess*, the most traditional of the four, the dreamer meets a widower who has loved and lost the perfect lady. In *The House of Fame*, it describes a dream journey in which the poet meets with classical divinities. Witty, lively and playful, *The Parliament of Birds* details an encounter with the birds of the world in the Garden of Nature as they seek to meet their mates, while *The Legend of Good Women* sees Chaucer being censured by the God of Love and seeking to make amends for writing poems that depict unfaithful women. Together, the four create a marvellously witty, lively and humane self-portrait of the poet. *Heart*

*Visions and Realities: Poems of Hope, Love and Disappointment. Also "Burns," "Wellington," and "The Poet's Apology."* By Junius, 1860

**Hardy's Early Poetry** James Persoon, 2000-01-01 Not many authors are allowed the privilege of being retrospectively considered both masterful novelists and poets. Despite the fact that Thomas Hardy saw himself as a poet first, only recently have his poems been accepted as equal to his celebrated novels. Persoon explores how Hardy's poetic vision seemingly cemented in his twenties existed in constant tension between Darwin and Wordsworth, between a scientific outlook and the poetic temperament. Perceiving Hardy's metaphorical double vision physically represented by his own eyes, one of which was smaller than the other, we see how this bouncing between realism and romanticism informed not only Hardy's poems but also his view of language, art, architecture, religion and even humor. Hardy's Early Poetry deserves attention by anyone who is interested in understanding the full richness and complexity of Hardy's work. **God's Spies:**

**Michelangelo, Shakespeare and Other Poets of Vision** Paul Murray OP, 2019-02-21 Written with both passion and precision, *God's Spies* is a work that will be welcomed by anyone interested in the vital interplay between poetry and religion. The authors represented, including poets such as Michelangelo, St Francis of Assisi, Charles P. Guy, Dante and Shakespeare, all possess one great and surprising quality in common: audacity. All of them in their work offer fresh and unforeseen perspectives on life and literature. Some of these authors are religious in the strict meaning of the word, their work indicating a devout turning away from the distractions of the world to focus on God. Others, in contrast, are poets whose work is distinguished by a remarkable visionary focus on the many small and great dramas of life, attending with bright imaginative

genius to what Shakespeare calls the mystery of things      *Verse, Voice, and Vision* Marlisa Santos,2013-09-26 Although it is a somewhat underrepresented form of literature in popular sensibility poetry finds relevance in the modern world through its appearance in cinema Film adaptations of poems and depictions of poets on the screen date back to the silent era and continue to the present day However there have been few serious studies of how cinema has represented the world of poetic expression In *Verse Voice and Vision Poetry and the Cinema* Marlisa Santos has compiled essays that explore the relationship between one of the world s oldest art forms poetry and one of the world s newest art forms film The book is divided into three sections poets on film poetry as film and film as poetry Topics include analyses of poet biopics such as *Mrs Parker and the Vicious Circle* filmic representations of poets or poetic studies including *Pyaasa* films inspired by particular poems such as *Splendor in the Grass* and the avant garde phenomenon of the poem film such as *The Tree of Life* Poetic influences considered in this volume range from William Shakespeare to e e cummings and the films discussed hail from several different countries including the U S the U K India China Italy and Argentina Featuring a great diversity in the age genres and countries of origin of the films these essays provide an in depth look at how poetry has been interpreted on film over the years By addressing a heretofore unexamined aspect of film studies *Verse Voice and Vision* will appeal to fans and scholars of both literature and cinema      **Women in Medieval Europe** Jennifer Ward,2014-06-11 Women in Medieval Europe were expected to be submissive but such a broad picture ignores great areas of female experience Between the thirteenth and fifteenth centuries women are found in the workplace as well as the home and some women were numbered among the key rulers saints and mystics of the medieval world Opportunities and activities changed over time and by 1500 the world of work was becoming increasingly restricted for women Women of all social groups were primarily engaged with their families looking after husband and children and running the household Patterns of work varied geographically In the northern towns women engaged in a wide range of crafts with a small number becoming entrepreneurs Many of the poor made a living as servants and labourers Prostitution flourished in many medieval towns Some women turned to the religious life and here opportunities burgeoned in the thirteenth century The Middle Ages are not remote from the twenty first century the lives of medieval women evoke a response today The medieval mother faced similar problems to her modern counterpart The sheer variety of women s experience in the later Middle Ages is fully brought out in this book      *The Evolution of Love* Emil Lucka,2022-09-15 In *The Evolution of Love* Emil Lucka intricately examines the multifaceted nature of love through a philosophical and psychological lens tracing its development from primitive attachments to complex emotional bonds The book navigates through various historical frameworks weaving together literary references and empirical studies to explore how love has been perceived and expressed across different cultures and epochs Lucka s prose is both captivating and accessible engaging readers in a scholarly discourse while maintaining a lyrical quality that reflects the profundity of his subject matter Emil Lucka a noted philosopher and psychologist draws on his extensive academic background and personal

experiences to delve into the theme of love an enduring fascination evident throughout his works His interdisciplinary approach allows him to synthesize insights from evolutionary biology sociology and art shedding light on how love shapes human behavior and societal norms Lucka s scholarly trajectory reveals a deep commitment to understanding the forces that drive interpersonal connections lending authority to his exploration in this significant work *The Evolution of Love* is an essential read for anyone interested in the complexities of human relationships psychology and philosophy By providing a comprehensive overview of love s evolution Lucka invites readers to reflect on their own experiences and perceptions of love making it a valuable contribution to both academic circles and casual readers alike

### **The Spiritual Vision of Frank**

**Buchman** Philip Boobbyer,2013-05-24 *The Spiritual Vision of Frank Buchman* is an in depth look at the life spirituality and ideology of one of the most original figures in twentieth century religion Frank Buchman 1878 1961 the Pennsylvania born initiator of the movement known as the Oxford Group and Moral Re Armament was a Lutheran pastor who first had influence as a college evangelist and missionary with the YMCA His thinking then evolved during the 1930s the Second World War and the early Cold War as he tried to develop a world philosophy that could offer an answer to war and materialism His impact was particularly felt in the areas of conflict resolution between nations and interfaith dialogue and Alcoholics Anonymous also owed much to his methods Philip Boobbyer s book is the first scholarly overview of Buchman s ideas and is an important addition to the growing corpus of academic literature on his worldwide outreach Boobbyer shows how his work reflected broader processes in twentieth century religion and politics and can be seen as a spiritual response to an emerging global society
