Love So Amazing The Life Changing Power Of The Gospel Colossians:

Colossians David J. Landegent, 2017-06-06 Some people can't see the forest for the trees they get so bogged down in details that they lose sight of what it's all about Others can't see the trees for the forest they miss the wondrous details all around them So why not look instead at both the forest and the trees This commentary on Paul's letter to the Colossians guides you in doing just that Even though we will be exploring ancient biblical cultures and learning plenty about the Greek language no prior academic training is needed Technical terms have been set aside Instead with everyday language we will discover the big picture and revel in the fine details of this stunning letter amazed by how God is still speaking these same words today to contemporary personal and social challenges We will not then be tourists rapidly zipping through Colossians as if on a monotonous interstate highway Instead we will be hiking our way through this letter step by step phrase by phrase finding joy in God's truth and growing in our faith Come and join the journey **Paul's Letter to the Colossians** Gerald F. Hawthorne, Stephen E. Hawthorne, 2010 **Straight to the Heart of Galatians to Colossians** Phil Moore, 2014-05-15 The apostle Paul wasn't a superhero He just had God on the inside In these letters to the churches which he planted he tells us the secrets of his fruitful ministry He shows us that the Gospel means that we can have God on the inside too He doesn't tell us to admire his fruitfulness He tells us how we can become like him This series of devotional commentaries is now becoming well established They allow readers to get to grips with the Bible one bite at a time and their combination of sound scholarship and popular tone makes them both stimulating and accessible Phil Moore focuses on key sections of each book
