Dayanara Blue Star,2015-03-29 There are as many love spells as there are people who wish to cast them The most powerful spells are those that influence the chakras spiritual pathways of another or create love bonds between two souls These spells can be challenging and even dangerous however so it is often better to rely on magic that embraces the natural world and only subtly creates the opportunity for others to recognize one s inner beauty There are also spells that rely on a magical focus like stones candles or mirrors in order to draw the inherent magical forces into a shape moldable by the spell caster This manner of spell has been in use for ages and even in an increasingly cynical society which has largely turned its back on the spirit world persist today because of their proven effectiveness There are spells crafted to find the love of others and to open our souls to the love of self without the confidence in oneself and the love of oneself how can one hope to harness the energies needed to gain the love of another

There are also spells designed to request the help of the goddess in her many forms should one be able to supplicate to her and prove their cause worthy Included here are a range of love spells of various type and description These have been drawn from ancient traditions the world over and some will appeal to certain kinds of casters while others may seem at odds with their nature You must always remember that casting is done with the heart and soul and that magic exists in the world of spirit so you should only try the magic that speaks to you on a mystical level If you cannot believe a spell will work it most certainly will not Please read the spells in this book and experiment with them responsibly Love is the most powerful force in the universe and it is unwise to use magic to toy with it unjustly Keep your heart pure in your pursuits and let your spirit guide you on a righteous path Blessed Be Dayanara Blue Star *100 Love Spells* Tonya A Brown, 2021-02-23 Let love be the key to set your magic free There are a lot of misconceptions about love magic Many people think love and their mind gutters to romance and sex Love is more than that It is love for family friends lovers self and pets It is about courage healing and confidence From rituals charms recipes affirmations and tips we offer over 100 ways you can bring love into your life The power of love is alive Diverse in practice and style 100 Love Spells is a compendium of love magic brought to you from various witches and authors of Witch Way Magazine Packed with practical magic for the novice and expert alike this book offers a bit of magic for all the world s love witches With these easy to master spellcasting tips and tricks you will learn how to Attract love with spells for confidence glamour and passion See your destiny with the power of divination Conjure love potions and edible magic for your heart s content Awaken lust and celebrate your sensuality Understand the ethics of love magic and free will Whether you are looking for new love strengthening an existing one or healing yourself in the process 100 Love Spells is for those looking to enhance their lives with the potent and powerful magic of love Wiccan Love Spells Brittany Nightshade, 2019-12-26 Build Confidence and Find Love with Brittany Nightshades White Magic Love Spells Simple well structured Magic Love Spell Rituals from acclaimed author Brittany Nightshade The perfect Love Spell book for beginners from any Wiccan path This spell book has rituals ranging from building confidence in yourself to shaping your fate to put you on a path of long lasting love The key to doing love spells in a white magic way is in how you cast your intentions you want to ensure that you are not forcing your will on another person Instead you ask the gods goddesses and spirits to put you on a path that will lead to true love This book of Wiccan Love Spells includes but is not limited to following Poppet Spells for attraction Love Spell Reversal Rituals Aphrodisiac potions Relationship Blessing Rituals Broken Heart Healing Spell Love Charms Massage Oil Rituals Attraction Rituals Start your magical journey to finding true love with Brittany Nightshade s White Magic Love Spells for beginners Example Ritual Crystal Love Spell This spell will imbue a crystal with a strong aura of passion Carrying this Crystal on your person will make anyone in your vicinity contemplate a potential relationship with you You will need Clear or Rose Quartz Crystal String Red or Pink Cloth Sea Saltwater Sprinkle some sea saltwater onto the crystal to cleanse it of any negative energies as it will need to be clear of any residual energies as you re about to charge it
