Love The Sin Sexual Regulation And The Limits Of Religious Tolerance:

Love the Sin Janet Jakobsen, Ann Pellegrini, 2004-04-15 In this powerful and timely book Janet R Jakobsen and Ann Pellegrini make a solid case for loving the sinner and the sin Rejecting both religious conservatives arguments for sexual regulation and liberal views that advocate tolerance the authors argue for and realistically envision true sexual and religious freedom in this country With a new preface addressing recent events *Love the Sin* provides activists and others with a strong tool to use in their fight for freedom

Becoming Queer and Religious in Malaysia and Singapore Sharon A. Bong, 2020-04-02 What does it mean to become religiously queer or queerly religious in one s everyday life What narratives of becoming person emerge from these lived realities Sharon A Bong addresses these questions by exploring the personal journeys of several GLBTIQ Gay Lesbian Bisexual Transgender Intersex and Queer persons negotiating the tensions between living out their sexuality and religiosity in the context of Malaysia and Singapore By sharing their stories Bong presents a broad spectrum of queer strategies emerging from participants narratives of becoming which encompass becoming Asian becoming postcolonial becoming sexually religious and religiously sexual and becoming persons These strategies are used in the book as counterpoints to nationhood narratives of becoming Asian or postcolonial which are still mired in religious sponsored and colonial inherited sexual regulations Finally Bong shows how the insistence of identifying as both queer and religious is critical in challenging the conservative social political milieu surrounding issues of gender diversity and inclusion within these south east Asian states

Righteous Rhetoric Leslie Dorrough Smith, 2014 It is commonly thought that the main distinction of the New Christian Right NCR lies in its absolutist theologies and religious fervor Offering a detailed study of one of the nation s leading conservative Christian women s organizations Concerned Women for America CWA Leslie Smith argues that the absolute ordered platforms for which CWA is known are not the source of its political power Rather such absolutes are the byproduct of chaos rhetoric a type of speech whose widespread public appeal stems from its deployment of symbols that create a heightened sense of social chaos and threat Carefully manufacturing these negative emotions the group is in a prime position to offer its own platforms as the answer to the threat Smith focuses on CWA s strategic manipulation of particular cultural symbols to naturalize and market its own political interests many of which revolve around issues of sex Sex is a symbolic gold mine for many NCR groups not only because it has been cast as the ultimate emblem of morality but more fundamentally because its regulation through gender identity reproduction and the family is critical to the control of society at large *Righteous Rhetoric* highlights the centrality of sex to CWA s political enterprise revealing how the organization s continual fusion of sexual morals with national fortitude facilitated by chaos rhetoric lays bare its nationalist agendas Smith closes by showing that chaos rhetoric is by no means a monopoly of the NCR but is rather a ubiquitous tactic used by many groups in the fight for social dominance A more likely source of distinction for groups like CWA she argues lies not in radically different theologies or political tactics but in the ability to flexibly fuse their

own identities with America's most beloved symbols in such a way that their own existence is rendered inseparable from the nation's very survival

Baby, You are My Religion Marie Cartier, 2014-09-11 *Baby You Are My Religion* argues that American butch femme bar culture of the mid 20th Century should be interpreted as a sacred space for its community Before Stonewall when homosexuals were still deemed mentally ill these bars were the only place where many could have any community at all *Baby You are My Religion* explores this community as a site of a lived corporeal theology and political space It reveals that religious institutions such as the Metropolitan Community Church were founded in such bars that traditional and non traditional religious activities took place there and that religious ceremonies such as marriage were often conducted within the bars by staff *Baby You are My Religion* examines how these bars became not only ecclesiastical sites but also provided the fertile ground for the birth of the struggle for gay and lesbian civil rights before Stonewall

Defending Same-Sex Marriage Martin Dupuis, William A. Thompson, Traci C. West, 2006-12-30 Today we find ourselves at a crossroads of two powerful unrelenting currents that are completely at odds with one another The movement for legal recognition of same sex unions has gone beyond the separate but equal status of civil unions to demand equality in marriage for all couples Progress is being made on many fronts mayoral action clergy officiating at same sex marriage and union ceremonies state legislative responses and street protests to name a few Meanwhile opposition to same sex marriage has also been gathering strength The struggle is sure to continue unabated for some time to come pitting those who believe in the traditional definition of marriage as a union between a man and a woman and who seek to codify this belief in the U S Constitution against those who find the basis for marriage between two loving committed individuals not only in the history of our civil rights legislation and court decisions but also in scripture and sacred religious traditions Those who believe in extending to same sex couples the 1 049 rights conferred by marriage as well as the supportive embrace of religious communities seek to strengthen the institution of marriage by making it inclusive and by passing laws and broadening doctrines to uphold marriage rights for all couples This three volume set clarifies the legal political religious cultural and social ramifications of same sex marriage for gay and lesbian couples and their families and friends and for the general public interested in the future of civil rights in the United States

Queer Theory and the Jewish Question Daniel Boyarin,Daniel Itzkovitz,Ann Pellegrini,2003-12-10 The essays in this volume boldly map the historically resonant intersections between Jewishness and queerness between homophobia and anti-Semitism and between queer theory and theorizations of Jewishness With important essays by such well known figures in queer and gender studies as Judith Butler Daniel Boyarin Marjorie Garber Michael Moon and Eve Sedgwick this book is not so much interested in revealing outing queer Jews as it is in exploring the complex social arrangements and processes through which modern Jewish and homosexual identities emerged as traces of each other during the last two hundred years

We Shall Not Be Moved Jane Ellen Nickell,2014-10-15 As Protestant denominations are fracturing over whether to ordain gays and lesbians this work looks at The United Methodist Church s conversations about the issue in light of Methodism s historic contests over the leadership of African Americans and women to see what can be learned from these earlier periods of change Using the uniform context of the Methodist General Conference where denominational policy is set the book analyzes transcripts of floor debates in key years of these struggles letting those who argued for and against the changes speak for themselves Those arguments are read through the lens of French sociologist Pierre Bourdieu whose theory offers a sophisticated model that goes deeper than simple resistance to change in articulating a dialectic between social structures and agents that predisposes both to reproduce existing power relationships This interdisciplinary historical study seeks to move beyond conscious motivations for the exclusion of these three groups and uncover deeply embedded misrecognized social dynamics In exploring these groups stories this book examines who holds power in Methodist churches how changes in authority structures occur and why it is such a long and painful process **Handbook of Religion and Society** David
