

A romantic couple is shown in a close embrace outdoors. The woman, with long brown hair, is wearing a grey knit sweater and a black strapless dress, and is leaning into the man. The man, with short brown hair, is wearing a dark blue or black suit jacket over a dark shirt. They are both smiling and looking at each other. The background is a soft-focus outdoor setting with trees and a fence. The text is overlaid on the image in a white, elegant script font.

*If I had to explain the reason
Why I find you so
pretty and sweet
I would explain it by saying
That you are my heart's beat
If I had to describe you
in a few words
I wouldn't say sexy
or amazing
I would describe you
with the phrase
You're my reason for being
I love you.*

The Shadow of Eternity Sharon C. Seelig,2014-10-17 The poetry of Herbert Vaughan and Traherne represents an attempt to shape their lives and verse around the fact of divine presence and influence writes Sharon Seelig The relationship between belief and expression in these three metaphysical poets is the subject of this deeply perceptive study Each of these poets held to some extent the notion of dual reality of the world as indicative of a higher reality but their responses to this tradition vary greatly from the ongoing struggle between God and the poet of The Temple which finally transforms the materials of everyday life and worship to the more difficult unity of Silex Scintillans with its tension between illumination and resignation to the ecstatic proclamations of Thomas Traherne whose sense of divine reality at first seems so strong as to destroy the characteristic metaphysical tension between this world and the next Seelig s study proceeds from individual poems to the whole work exploring the relation of cosmology and religious experience to poetic form **The Poems of Browning:**

Volume Four John Woolford,Daniel Karlin,Joseph Phelan,2014-05-12 The Poems of Robert Browning is a multi volume edition of the poetry of Robert Browning 1812 1889 resulting from a completely fresh appraisal of the canon text and context of his work The poems are presented in the order of their composition and in the text in which they were first published giving a unique insight into the origins and development of Browning s art Annotations and headnotes in keeping with the traditions of Longman Annotated English Poets are full and informative and provide details of composition publication sources and contemporary reception Volumes one 1826 1840 and two 1841 1846 presented the poems from his Browning s early years while volume three 1847 61 covered the period of his marriage to Elizabeth Barrett and residence in Italy Volume four 1862 71 deals with the decade following Elizabeth s death and Browning s return to England These years saw the appearance of some of his most significant work and a steady rise in his critical reputation In *Dramatis Personae* 1864 Browning uses his characteristic dramatic mode to expose predicaments of thought and feeling in characters ranging from Shakespeare s Caliban to the cheating medium Mr Sludge other poems dramatize Browning s complicated feelings about the deceptions and self deceptions of romantic love *Balaustion s Adventure* 1871 is an engaging reworking of Euripides *Alcestris* whose theme the resurrection of a beloved lost wife has poignant personal resonance for Browning while *Prince Hohenstiel* Schwangau published in the same year offers a thinly veiled account of the life and actions of Napoleon III the recently deposed Emperor of France over whom Browning and Elizabeth had quarrelled In these two long poems Browning can be seen engaged in the dialogue with Elizabeth that was to shape much of his work during the remainder of his writing life

The Playfulness of Gerard Manley Hopkins Joseph J. Feeney,2016-03-03 Renowned Hopkins expert Joseph J Feeney SJ offers a fresh take on Gerard Manley Hopkins which shakes our understanding of his poetry and his life and points towards the next phase in Hopkins studies While affirming the received view of Hopkins as a major poet of nature religion and psychology Feeney finds a pervasive rarely noticed playfulness by employing both the

theory of play and close reading of his texts This new Hopkins lived a playful life from childhood till death as a student who loved puns and jokes and wrote parodies comic verse and satires as a Jesuit who played and organized games and had a gift for mimicry and most significantly as a poet and prose stylist who rewards readers with unexpected displays of whimsy and incongruity even strikingly in The Wreck of the Deutschland The Windhover and the Terrible Sonnets Feeney convincingly argues that Hopkins s distinctive playfulness is inextricably bound to his sense of fun his creativity his style and his competitiveness with other poets In unexpected images quirky metaphors strange perspectives puns coinages twisted syntax wordmusic and sprung rhythm we see his playful streak burst forth to adorn those works critics consider his most brilliant No one who absorbs this book s radical readings will ever see and hear Hopkins s poetry and prose quite the way they used to
