Tinsley, 2018-10 Most of us can probably think of a spiritual experience in our life that made a permanent profound impression God reveals His infinite love through our personal experiences Too often these stories of spiritual reality are never shared with others When I began praying for spiritual experiences when my parents were very ill I was blessed with a visit from crying angels The first story in my book *Crying Angels* inspired the title of my book I felt I should record and share my spiritual stories and the stories I had heard from others I realized that both the teller and the listener's faith in God increases when stories are shared Our sharing creates a ripple effect of numerous blessings My hope is that the stories in this book will bless your soul and will help you not miss any of the miracles God places before you Sarah V Tinsley **The Way We Fell** MJ Fields, 2019-10-06 One brilliant smile and my heart beat for what felt like the very first time One night as he held my sister and sang to her it broke Years later his smile is different and I curse my heart when it beats in an all too familiar way a way it's only ever beat for him again He was once hers could he ever truly be mine *Daddy Do You Love Me?* Ariel Allison, Shelby Rawson, 2006-08-01 The United States is the world's leader in fatherless families Marginalized by society into a distant and unemotional role as the family's bread winner we are only now beginning to understand the devastating effect of emotionally distant fathers on their daughters' health and well-being and for some even on their spirituality Millions of women have suffered physical and emotional scars due to absent fathers and have experienced the painful void not having this vital connection has created Both authors write from personal experience overcoming emotionally distant fathers offering practical solutions and hope for healing this emotional and spiritual rift From how to forgive an abusive father coping with loneliness to nurturing healthy relationships and much more this book is a tremendously empowering and enriching journey for women out of sadness and pain breaking a legacy of loneliness and regret to a renewed hope for their lives Included are chapter questions pages for journaling and a list of counseling resources
