Harley, Jr., Joyce S. Harley, 2011-10-01 Nothing brings a couple closer quite like sharing a regular devotional time Now Willard F Harley Jr the bestselling author of *His Needs Her Needs* joins forces with his wife Joyce to bring readers devotions to help them increase their intimacy with God and each other The 36 chapters are each divided into five brief sections and explore Harley's proven marriage principles in connection with God's Word Each devotion begins with a story and includes a brief meditation a relevant Scripture passage and application questions to help make the principles a reality Perfect for newlyweds as well as those who have been married for decades this devotional promises to help readers connect with their spouse build a stronger marriage and keep God at the center of their commitment to each other Honoring God with Body and Mind Steven D. Hoogerwerf, 2019-11-13 Have you ever wondered how it would look to live out a Christian sexual ethic amid the varied and confusing sexual messages that are part of modern culture Does the Christian tradition provide us with a way to think about and act on our natural God given sexual desires *Honoring God with Body and Mind* invites readers to consider these questions and some ways of answering them by guiding them into a conversational style of moral reflection

Unlike many books about Christians and sex this one doesn't simply tell you what to do or not to do. Instead you will be led to think about how the meaning of sex can provide sexual boundaries but also how the relational dimension of sex and the virtue of sexual integrity can provide a context for sexual decision making. Informed by many years of conversations with college students the author also invites you to think about practical questions such as these: Can men and women be friends without the complications of sexual attraction? If I haven't always included Christian values in my sexual practices and carry some painful memories and regrets is there any hope of healing? What is lust? Is masturbation sinful? Can virginity be reclaimed?

A real story about all the different ingredients that when mixed together create the unique blend which is what we call life. Each chapter in this book is one that we go through at the different stages and stops in our journey. Each chapter in our lives adds to our story and contributes towards the individual we turn into. Each story explores the powerful emotions that human beings have the ability to experience and analyses them in a way that touches the heart and brain. Designed for Joy Owen Strachan, Jonathan Parnell, 2015-07-15 Male and female he created them. Genesis 1:27. It's one of the most important and controversial topics of our time. God created men and women in his image, equal in value and complementary in roles. These distinctive roles are not the vestiges of a bygone era but integral to God's timeless good design for humanity. Designed for Joy includes fresh contributions from fourteen young leaders casting a unified vision for Christian manhood and womanhood. Whether discussing the significance of gender, the truth about masculinity and femininity, the blessing of purity or the challenge of raising children in a confusing world, this practical resource challenges us to embrace God's good design for his glory and our joy.
