Love Without Shame Sexuality In Biblical Perspective:

Love Without Shame David B. Wyrzten,1991 Brings the light side of the Scriptures to bear on a subject that has been horribly distorted through sexual sin and perversion and establishes a healthy foundation for a new generation For young people desiring to live sexually pure lives **Contributions of Selected Rhetorical Devices to a Biblical Theology of The Song of Songs** Mark McGinniss,2011-03-07 Scan any Old Testament Theology for its entry concerning the Song of Songs and you are likely to put the book down and walk away disappointed In the majority of resrouces the Song is either missing entirely or is given scant pages that do not justice to its divine message In this book Mark McGinniss seeks to remedy that situation by demonstrating the depth of theology in this ancient love song concerning desire passion and sex Beyond the significant theology of the Song this book demonstrates how the author of the Song of Songs employed certain literary devices for a specific rhetorical purpose to convey certain theological truths **What My Parents Did Right!** Gloria Gaither,2010-06-15 You don t have to be a perfect person to be a great parent In this provocative book you ll find fascinating stories written by people like John MacArthur Jr Kay Arthur Joni Eareckson Tada Janette Oke Gary Smalley Frank Peretti and many more From them you ll learn more than fifty tips to positive parenting tips you can incorporate in your own family today principles that will help ensure that you too do something right **Christian Perspectives on Sexuality and Gender** Elizabeth Stuart,Adrian Thatcher,1996 This collection of articles present a variety of broadly Christian responses to issues such as sexuality and gender sexuality and spirituality gay and lesbian sexuality sexuality and violence sexuality and singleness and the family **Homosexuality FAQs - A Christian Perspective eBook** Daniel Lim & Ian Toh,□□□□□□□□,2022-07-22 Homosexuality is not a recent phenomenon or a newly emerged issue It exists since the ancient time despite the suppression by tradition and culture It started to surface in recent years as technology and media have developed in racing speed The society has become more open and acceptive to the topic people started to reflect on the traditional thinking on human relationship voices and discussions regarding homosexuality are getting common The word homosexuality which merely means same sex relationship in the past has evolved to LGBTQ which covers Lesbians Gays Bisexuals Transgenders and Queers nowadays Although there are more discussions do we truly understand LGBTQ How should we discern the right and wrong From Christian perspective how should see it and live with its community Does the Bible provide us the answer In the past when religions are confronted by issues of homosexuality and LGBTQ they would quickly jump into a conclusion such as sin against the nature promiscuity unclean etc On one hand religious communities subconsciously hold different attitudes and mindsets toward LGBTQ community on the other hand media coverage and celebrity influence exalt the revolution and advocacy of LGBTQ so that people or religious bodies who hold different point of views may be labeled as conservative old fashioned traditional conventional etc Over time a gap has formed between LGBTQ and religious communities Nevertheless before we decide between the right and wrong or give people a label of unrighteousness could we jump out of the endless

quarrel opposition or criticism Could we adjust our perspective to understand to observe and to contemplate the matter so that we can better serve this community and walk with them with the love of Christ while we hold on to the law and principle of God Homosexuality FAQs A Christian Perspective is a wonderful guide for Churches It helps readers to understand the issue more comprehensively find out the viewpoints of the Bible and learn how to reach out and serve LGBTQ community This book clears doubts and confusions on LGBTQ through 10 questions in the first section It tries to rebut general arguments from objective and scientific perspective In the second section it discusses LGBTQ from biblical perspective through 16 questions Lastly the editors laid out 6 questions to discuss the relation between Christians and the society on LGBTQ issue Each answer begins with quick response to give readers the key concept then followed by elaboration and more supplementary information This structure is clear and easy to follow What I appreciate the most is that it does not merely lay out a pile of data and evidence but also shares ministry tips at the end of some answers so that readers can break through the frame of merely knowledge thinking and critique and more important they can learn how to bridge the gap between the LGBTQ and us counsel and serve LGBTQ community Whether you want to know more the issue or feel the burden to serve the LGBTQ community this book is worth to read Bishop Dr Titus Chung Anglican Diocese of Singapore President National Council of Churches of Singapore **Sexual Shame in Women and How to Experience Freedom** Joy Skarka,2022-04-29

Sexual shame causes women to feel far from God live a secret life of sexual sin doubt that God loves them and even question their salvation Sexual Shame in Women and How to Experience Freedom will help readers understand sexual shame as one of the root issues among women s sexual struggles while focusing specifically on the issues of pornography and sexual abuse Ministry leaders must help women find freedom from sexual shame to help them walk in sexual integrity wholeness and healing The freedom journey begins through understanding the character of God being known in biblical community and understanding God s design for sexuality This research project is a dissertation from Dallas Theological Seminary s DMin program Sex, Gender, and Christianity Priscilla Pope-Levison,John R. Levison,2012-10-08 Should women be priests

Should women submit to their husbands Is premarital sex okay Inflammatory questions such as these have splintered Christianity and polarized the church In Sex Gender and Christianity a cadre of seasoned college professors offers the modest proposal that honest fruitful conversations about these questions will take place only if we develop the ability to deal with sex gender and the Christian faith with the academic rigor and perspectives of our various disciplines This volume contributes an unprecedented collection of first rate articles from a variety of disciplines from the social sciences to history from literary criticism to theology that will challenge college administrators professors and students to address fractious questions in an atmosphere of scholarly inquiry Three Loves Todd Froehlich,2013-04-23 Three Loves is a brief look at the three kinds of love involved in dating courtship and marriage C S Lewis in his book The Four Loves proposes that there are four kinds of love based on classical Greek However only two of his Greek words for love are found in the Bible For the

purpose of looking at the love between a man and a woman it makes sense to look at three kinds of loveromantic committed and sexual The Women's Desk Reference Irene M. Franck,David M. Brownstone,1993 Contains some 1 500 entries on people organizations issues books politics and health each with see also references and many with bibliographical references Useful as a first stop reference Annotation copyright by Book News Inc Portland OR *Advancing Sexual Health for the Christian Client* Beverly Dale,Rachel Keller,2019-03-04 Advancing Sexual Health for the Christian Client is an essential toolkit for professionals working at the intersection of Christian belief and sexual health In this book Beverly Dale and Rachel Keller deconstruct potentially harmful Christian beliefs around sexuality to support clients stuck in sexual guilt shame and fear Combining the experience of an ordained Christian clergy with a certified sexologist this guide promotes a new approach to sex and faith for therapists which will help their clients to reconcile a belief in God s love with sexual knowledge and fulfilment Grounded in historical and cultural contexts and drawing from both academic research and scriptural exegesis the authors offer practical clinical applications and interventions to enable clients to re examine their sexual beliefs in a way that encourages sexual healing By understanding the goals of a sex positive body positive Christianity professionals can find a common language with the person of faith and build an effective therapeutic relationship This book will be a key point of reference for any sex therapist educator or student looking to integrate faith based concepts into their approach
