down the street but also in the world wide web which is too big and complex for parents to control and supervise As young as aged four your child can contact the world and the world can contact them A strong bond between you and your child is critical in order for your child to regard you as their trusted advisor Traditional discipline methods no longer work with today s children and they destroy your ability to influence your increasingly vulnerable children who need you as their lifeline You need new discipline tools [It Worked for Me!](#) Editors of Parents Magazine,2004-01-05 A selection of parenting tips and techniques from Parents magazine offers solutions to everthing from preemie care and potty training to clothing and discipline *My Ex Is Driving Me Crazy* Aleta Koman,Edward Myers,2008-02-01 My Ex Is Driving Me Crazy provides useful compassionate advice about the chronic burdens that often result from conflicts with difficult demanding vindictive or even dangerous spouses It comprises of ten chapters that cover denial guilt communication damage control kids and more
