Love Hate Relationship Nina Snow, 2025-01-12 Three rules Don't talk to me Don't touch me Stay out of my business Those were the first words Sasha White now Sasha Brown heard from her husband on their wedding night Words that shattered every dream she had of their future together What kind of marriage could survive without communication connection or trust Marrying the breathtakingly handsome billionaire Michael Brown was supposed to be a dream come true for Sasha She'd been infatuated with him since their school days quietly nursing a crush she thought would never amount to anything Back then it was an open secret that Michael was untouchable not because of his wealth or status but because the entire school believed he was gay Now standing in the opulent home they were supposed to share Sasha felt the sting of reality The man she had adored from afar was cold distant and utterly unreachable Was this marriage just another one of Michael's calculated business moves Or was there something deeper he was hiding something that kept him from letting her in As Sasha tries to navigate this emotionally barren union she is faced with questions she never thought she'd have to ask Why did Michael agree to this marriage Was her love for him strong enough to thaw his icy walls Or would she uncover secrets that could break her in ways she never imagined In a world of wealth power and untold truths Sasha must decide whether to fight for the man she's loved for years or protect her heart before it's too late
