

A romantic couple is shown from behind, embracing each other in a field of tall, golden grass. The woman has long, flowing brown hair and is wearing a patterned dress. The man is wearing a dark t-shirt and jeans. They are both smiling and looking down at each other. The background is a warm, golden sunset with soft light filtering through the grass.

Love Is a Story Robert J. Sternberg, 1999-06-03 In this groundbreaking work Robert Sternberg opens the book of love and shows you how to discover your own story and how to read your relationships in a whole new light What draws us so strongly to some people and repels us from others What makes some relationships work so smoothly and others burst into flames Sternberg gives us new answers to these questions by showing that the kind of relationship we create depends on the kind of love stories we carry inside us Drawing on extensive research and fascinating examples of real couples Sternberg identifies 26 types of love story including the fantasy story the business story the collector story the horror story and many others each with its distinctive advantages and pitfalls and many of which are clashingly incompatible These are the largely unconscious preconceptions that guide our romantic choices and it is only by becoming aware of the kind of story we have about love that we gain the freedom to create more fulfilling and lasting relationships As long as we remain oblivious to the role our stories play we are likely to repeat the same mistakes again and again But the enlivening good news this book brings us is that though our stories drive us we can revise them and learn to choose partners whose stories are more compatible with our own Quizzes in each chapter help you to see which stories you identify with most strongly and which apply to your partner Are you a traveler a gardener a teacher or something else entirely Love is a Story shows you how to find out **Love and**

you decide for yourself and you know what you want The book is precisely intended for you to live more correctly and happily and act with meaning Good luck      EFT for Love Relationships Dawson Church,2015-10-01 Relationships can be heaven or hell They can take us to the most sublime and happy states or trap us in endless cycles of misery Dawson Church has been dedicated for many years to helping people shift their relationships to create warm and deep emotional intimacy As a scientific researcher he s investigated which techniques really work to truly make love flourish These tools like mindfulness EFT tapping and heart coherence are surprisingly quick and easy to learn yet produce profound relationship shifts In this book he s explains how our hormones and biology drive our behavior and actually sabotage long term relationships despite our best intentions He then guides you into creating deep and lasting change If you re ready for a radically different experience and a whole new relationship future this book is for you      **Return to God: Love Relationships** Vladimir Živković, The psychology of modern love relationships and self healing of the psyche Exposing the power games in love relationships Removing the cause of problems blocks and rooted bad patterns of behavior and achieving peace and satisfaction through joining spirituality reason sensitivity and sexuality into one way and one wholeness Reaching capacities for a sustainable and satisfying relationship      **Psychology of love relationships** Алексей Сабадырь,2024-09-26 This book is a comprehensive guide to the psychology of love relationships It explores the complex and multifaceted aspects of romantic love from its origins to its consequences Readers will learn about attachment theories and their impact on relationships the dynamics of power and control in relationships Communication and conflict resolution Passion attraction and long term satisfaction The influence of family culture and society on relationships      **The Forbidden Male Speaks: Messages from Jeshua on love, relationships, and heart-based masculinity** Pamela Kribbe,2024-06-15 Messages from Jeshua on love relationships and heart based masculinity The forbidden male is the male who does not fit into the traditional box of masculinity with its heavy emphasis on being tough and in control This limiting definition of masculinity has wounded men and disconnected them from their heart and soul This book describes the inner wound many men suffer from and offers new ways of thinking about masculine energy in general The basic assumption underlying the book is the idea that the human being is primarily a soul with both masculine and feminine aspects Healing and reshaping our thinking about masculinity affects not only individual men but women too as women are also in need of developing and healing their own masculine energy The forbidden male who jumps out of the box brings us back to heart based masculinity the energy of freedom courage and wisdom As such recognizing the forbidden male energy liberates both men and women and enables them to enter into mature and truly loving relationships      The cancer of love relationships Adrian Gabriel Dumitru, There are many which cannot exist outside duality But i ve also realised even into my private life that actually love relationships are too complicated Someone told me just after i ve finished this book The better you know a person the closer you are to a separation from him Knowledge detaches one being from another and cancels the grains of mystery that are in any existence

no matter how flat linear it may be I think we resist knowing the other for a short time because after that period his her presence becomes fatigue and irritation Maybe i had to hear this before i ve started the book but i guess is never too late to find out the secrets beyond a beautiful love story The term cancer is just a metaphor and i believe it can easily reflect the meaning of this book Defining the undefined And is funny cause the final conclusion for most of us is that it s all a dilemma Experiencing many times an emotional balance in continuous form and ending as a nightmare But still chasing to continue Not being able to simple disconnect and stay away of duality      *The weird dynamic of MENTAL HEALTH ... in love relationships* Adrian Gabriel Dumitru, I ve written as usual having my self therapy sessions Making all clear in front of the public but not being afraid or ashamed Not anymore Having probably the only real conclusion that in fact the love stories are extremely risky for our mental health No matter who we might be And it s not about the partner but probably because i don t really know how to react in front of so many contradictory emotions Feeling overwhelmed Then ruined Or even totally destroyed Most certainly ready for becoming patient at the mental health hospital So I like it or not the dynamic itself is weird All is so beautiful but then something happens and i totally lose the control of myself Feeling lost Hopeless Without any real chance to be saved Fortunately or unfortunately any end is the beginning of a new start And the next thing i do after the breakup is to look at another soul that will be suitable to accompany me into this strange journey called life Feeling addicted of women Of their energies No matter of risks Losing my minds becoming simply normality Part of life
