Love Changes:

Love Changes Marsha R Cook, 2002-06-12 Elaine Lewis seemed to have the ideal life with great friends and a busy social calendar. Most importantly she had the perfect husband in Martin, a physician who loved her more than she could ever love herself. She was the envy of all her friends. But what they didn't know was that Elaine was hiding a painful secret from her past. The birth of Martin and Elaine's son Stevie forces Elaine to recall her past and she refuses to find room for him in her heart. Stevie's birth drives a wedge between the once happily married couple, throwing Elaine into a downward spiral of gambling, adultery, and denial. Eventually she must face her past in order to try saving her future. *Love Changes* Ayana Ellis, 2008 The perfect world Beatrice envisions is destroyed when her best friend down to earth Toni finds love with Kaseem, a successful investment banker whom Beatrice believes could help her maintain her high flying lifestyle and when one's disloyalty to the other is revealed the friendship is put to the test. Original ***Love Changes Everything*** Micah Berteau, 2019-09-03 We all crave love. We try to fill the void inside with any number of poor substitutes. We seek validation from empty outlets. We're thirsty for compliments. We change who we are to impress people who aren't looking and don't care. Yet we are still desperately searching for a love that changes everything for us, a love that doesn't fade and doesn't fail even when we do. That's the kind of love God shows that he has for us through the remarkable story of Hosea and Gomer. Unpacking this powerful love story from the Old Testament in a way you have never heard, pastor Micah Berteau releases us from the fears, hurts, insecurities, and anxieties of life by showing us just how extravagantly we are loved in spite of our faults, our failures, and our sins. If you're tired of trying so hard to be worthy of someone else's love, lost in what's fake or drawn to live in the temporary, Micah Berteau has good news for you: there is a better way to live and love. Foreword by Jentezen Franklin ***Love Changes Things*** Caroline Cottom, PhD, Caroline Cottom, 2012 In the summer of 1983, Caroline was recovering from her thirty-two-year-old sister's untimely death, working as a consultant in rural Tennessee and writing her sister's story. Then in one startling moment she was struck by lightning. Its message: Develop a relationship with Al Gore Jr., then a US congressman, for the purpose of ending the threat of nuclear war. Although she had had little political experience, Caroline heeded the message of the lightning bolt, albeit reluctantly. In time she moved her family to Washington, DC, where she could work to affect policy. In an era in which the US and Soviet Union had 50,000 nuclear weapons between them, she found herself surrounded by politicians who wanted to build even more. Hundreds of dreams and the voice of Spirit led Caroline ever deeper into the political arena, urging her to build relationships based on love and respect with members of Congress and the Supreme Soviet, defense analysts, peace activists, scientists, and vice presidents of both the United States and the USSR. *Love Changes Things* is a David and Goliath story where David included millions of people working to end nuclear test explosions worldwide. In this extraordinary story, what tamed the dragon was love, an ingredient that is often missing in social change work but essential to creating a world at peace. The premise is simple and the tools are easy to use.
