Becoming Community Olivia A. Phillips, 2021-10-15 How we minister matters especially to those who have already been hurt by the church Instead of ministering out of God's love and compassion the church has often ministered to the Queer community out of a deep rooted fear Why do we administer hatred instead of allowing the balm of the Holy Spirit's tender care to define our actions The integrity of the gospel message has been hurt by the way many of us have wielded the power we have been given *Becoming Community* is a call for us to renew our Christian commitment to social responsibility and justice as a primary focus of the church We must challenge the practices and visions which we hold most important in our communities Are our ministries truly inclusive to all who would seek to find solace at the feet of Christ Regardless of whether a person might adopt a philosophy of affirmation or denial of queer practices as God honoring one trait must remain in our response inclusion Without intentionally inclusive language care and practice can the church live up to the higher calling that we have been given Is it possible for every individual to be genuinely included in our communities

Prayer, Return of Prayer and the Saint's Jewel John Bunyan,Thomas Goodwin,Thomas Shepard,2007 Prayer is an ordinance of God and that to be used both in public and private yea such an ordinance will bring those that have the spirit of supplication into great familiarity with God and is also so prevalent an action that it gets of God both for the person that prays and for them that are prayed for great things It is the opener of the heart of God and a means by which the soul though

empty is filled By prayer the Christian can open his heart to God as to a friend and obtain fresh testimony of God s friendship to him I might spend many words in distinguishing between public and private prayer as also between that in the heart and that with the vocal voice Something also might be spoken to distinguish between the gifts and graces of prayer but as eschewing this method my business shall be at this time only to show you the very heart of prayer without which all your lifting up both of hands and eyes and voices will be to no purpose at all Prayer is a sincere sensible affectionate pouring out of the heart or soul to God through Christ in the strength and assistance of the Holy Spirit for such things as God has promised or according to the Word for the good of the Church with submission in faith to the will of God 1 For the first of these it is a sincere pouring out of the soul to God Sincerity is such a grace as runs through all the graces of God in us and through all the actings of a Christian and has the sway in them too or else their actings are not anything regarded of God and so of and in prayer of which particularly David speaks when he mentions prayer 7 cried unto the Lord with my mouth and He was extolled with my tongue If I regard iniquity in my heart the Lord will not hear me Psa 68 18 Part of the exercise of prayer is sincerity without which God looks not upon it as prayer in a good sense And ye shall seek Me and find Me when ye shall search for Me with all your heart Jer 29 13 The want of this made the Lord reject their prayers in Hos 7 14 where He says They have not cried to Me with their hearts that is in sincerity when they howled upon their beds But for a pretense for a show in hypocrisy to be seen of men and applauded for the same they pray Sincerity was that which Christ commended in Nathaniel when he was under the fig tree Behold an Israelite indeed in whom is no guile John 1 47 Probably this good man was pouring out of his soul to God in prayer under the fig tree and that in a sincere and unfeigned spirit before the Lord The prayer that has this in it as one of the principal ingredients is the prayer that God looks at The prayer of the upright is His delight Bunyan 1628 1688 rose from an humble beginning to being a preacher to a little house church to 12 years in jail because he would not agree to quit preaching to a huge church in London He wrote 66 books nearly all while in jail Goodwin 1600 1679 was rightly described as one of the twin pillars of the Puritan movement His 12 volumes are filled with information not to be found in any other works Thomas Shepard was an early New England Puritan His work was praised at once by eminent divines four of them being Westminster Confession participants Jonathan Edwards quoted from Shepard more than any other

The Swiss Family Robinson; or Adventures in a Desert Island Johann David Wyss, 2023-08-12 In *The Swiss Family Robinson or Adventures in a Desert Island* Johann David Wyss crafts a compelling narrative of survival and adventure that captivates both young and adult readers alike Set against the backdrop of a deserted island the novel follows the shipwrecked Swiss family as they showcase ingenuity resourcefulness and resilience in the face of adversity Written in a rich descriptive style characteristic of early 19th century literature Wyss s work not only entertains but also serves as a moral tale that extols the virtues of family hard work and self reliance in a Romantic era context encouraging readers to embrace the sublime beauty of nature and the challenges it presents Johann David Wyss a Swiss author and a passionate naturalist drew upon his own experiences as a father and outdoorsman to pen this enduring classic The novel was inspired in part by Wyss s desire to impart lessons of survival and familial bonds to his sons highlighting the interconnectedness of man and nature His intent was to create a narrative that

could be both rousing and instructional reflecting the values of adventure and cooperation that were prominent in Enlightenment thought I highly recommend The Swiss Family Robinson to readers seeking not just an adventure story but also a profound exploration of the human spirit This timeless tale with its vivid descriptions and pragmatic lessons on survival is particularly suitable for family reading offering invaluable insights into collaboration creativity and the beauty of the wilderness

Post-Colonial Theology Robert S. Heaney,2019-05-08 Hate is unveiled on our streets Politics is polarized and the cohesion of communities is under stress and threat Religious and theological leaders appear compromised or paralyzed Robert S Heaney grew up in a Northern Ireland where enmity paraded itself and policed the boundaries between segregated identities and aspirations Such conflict with deep historic roots is inextricably linked to religion and colonization The theologizing of colonialism and the ongoing implications of colonialism cannot be ignored by those who wish to understand the most intractable of human conflicts Religious adherents and scholars are increasingly seeking to understand colonialism and decolonization in theological terms The field of post colonial studies across a range of contexts and in a complex network of inter disciplinary analyses has emerged as a major scholarly movement seeking to provide resources for such a task Theologians have increasingly seen the field as a resource and have made their own contributions to its development However depending as it does on a series of theoretical and technical

commitments post colonialism remains inaccessible to the uninitiated Beginning with his own particular context of formation in this book Heaney provides an accessible introduction to post colonial theology
