Love From Linda:

The Road to Love Linda Ford, 2008-05-01 The road that led to Kate Bradshaw's door sometimes seemed the loneliest in the world. In the depths of the Depression the young widow was struggling to hold on to the family farm and raise two small children. And she had only her faith to sustain her until the day Hatcher Jones came walking up that long lonely road. The handsome mysterious drifter was clearly haunted by some terrible secret from his past. But the simple acts of kindness he showed Kate and her children spoke of a good heart and strong values. And she longed to make him see that there could be redemption for anyone even him and that all his wandering had brought him home at last. Escape to be Free in Pursuit of Luck Tom Krieser,2014-05 This is a life story of a Hungarian refugee born in Slovakia in 1938 amidst the beginning of World War II Parents were a Jewish father and a Catholic mother Following the end of WWII the Krieser family moved to Hungary and Tom escaped directly following the Hungarian Revolution against Soviet Russia which was crushed by the Red Army Arriving in Canada with nothing but a diary a birth certificate and a determination to

succeed Tom was lucky enough to meet up with the Sheehan family who helped to determine much of Tom's future. The Sheehans helped Tom attend and successfully graduate in engineering from St FX University. It was in the town of Saint John New Brunswick Canada that Tom met his wife to be Jane O Leary. They married in 1960 and had two children Paul and Mark in 1961 and 1963 respectively growing up in Montreal Canada. Tom's career commenced as a young engineer but over the years he eventually was elevated to become the president and CEO of one of Canada's best recognized pulp and paper machinery manufacturing enterprises with up to five hundred employees. Surrounded by a great team of professionals and many great customers in a dynamic competitive yet surprisingly friendly business environment, the company became known for its research and development activities, machinery innovation and commitment to deliver value to its customers the world over. Despite the enormous stress of the job he held, Tom found time to dedicate much attention to his kids, having become a spokesperson for the English section of the Quebec PTA Parent Teacher Association and his church, including leadership positions in the Worldwide Marriage Encounter movement. Tom even became a deacon in the Catholic Church in the diocese of Montreal. Tom's marriage to Jane came to an end in 1989 and in 1993 Tom married his wife of today, Linda Thibodeau. Linda's daughter became like Tom's own and that is a story in its own right. Tom and Linda live in beautiful Naples, Florida today. The book is full of twists and turns with experiences gained through a very enriching life and extensive business, family and traveling adventures. Tom still works today because he loves what he does and thrives to be the best in all things he undertakes. This book is a product of his love of family, business, friends and life.
