published in 1923 Jean Toomer's *Cane* is an innovative literary work part drama part poetry part fiction powerfully evoking black life in the South Rich in imagery Toomer's impressionistic sometimes surrealistic sketches of Southern rural and urban life are permeated by visions of smoke sugarcane dusk and fire the northern world is pictured as a harsher reality of asphalt streets This iconic work of American literature is published with a new afterword by Rudolph Byrd of Emory University and Henry Louis Gates Jr of Harvard University who provide groundbreaking biographical information on Toomer place his writing within the context of American modernism and the Harlem Renaissance and examine his shifting claims about his own race and his pioneering critique of race as a scientific or biological concept *Maa Aankh* Derric Moore,2009-12 When the crack cocaine epidemic hit Detroit in the mid 1980 Moore like many of his peers turned to the church to avoid the onslaught but when the Holy Ghost failed to protect him from drug related crimes and violence He searched for an alternative form of spirituality After overcoming homelessness poverty and being diagnosed with the debilitating disease lupus he discovered an ingenious way to connect to the Divine By drawing upon Ancient Egyptian philosophy and Afro spiritual practices that gave him the tools to overcome his illness and greatly improve every aspect of his life In this easy to read simple yet motivational style memoir of self discovery Moore the son of a preacher explains how depression and despair led him to turn his back on God but how anyone can rekindle this relationship by learning history recognizing their ancestors identifying with their archetypes or spiritual guardians and acquiring knowledge of self *The Gospel standard, or Feeble Christian's support* ,1882 **Love'S Fire Works** Andrew Carey,2015-12-15 Loves Fire Works The Rule Breaker is an explosive power packed work that communicates boldly about Gods fiery works to birth loves greater mysteries The author shares his journey to overcome panic attacks and marital fireworks and his personal stories offer hope and perspective for those struggling with relationships anxiety depression hopelessness or identity issues This challenging yet grace filled work is a refuge and light for connecting with God during trials This work cries out with a tenacious ever pursuing love beyond the rules and ways of this earth and yet with a divine justice that feeds and gathers the poor afflicted and outcast Going further with God means breaking our rules burning away the old to awaken us to know Gods perfect love that casts out fear and judgment This ground breaking thought provoking work will stir the Spirit to greater life within you for a long time to come

limitless grace Brutally honest but full of grace Jay invites everyone to cross the line to dig deeper and to discover a faith that is beyond belief

**A Georgia Love Story** Tad Harris, 2012-04-23 Just back from a year in Iraq Chett Hargis becomes the newest member of the police force in the small town of Troy one of the poorest places in all of Georgia Policing is Hargis s first love even in Troy s rundown roadhouses and trailer parks Then he meets the lovely and exotic Shenelle a dancer at a gentleman s club just off the interstate When these two lonely hearts get together worlds collide and the sparks really fly A Georgia Love Story is a tale of lust loss and ultimate redemption

*Cane* Jean Toomer, 2021-04-11T18:34:47Z Published in 1923 Jean Toomer s *Cane* was widely heralded as one of the first masterpieces of the Harlem Renaissance and its author as a bright morning star of the movement Toomer himself however was reluctant to embrace an explicitly racialized identity preferring to define himself as simply an American writer Inspired in part by Sherwood Anderson s short story cycle *Winesburg Ohio* Toomer conceived *Cane* as a mosaic of intricately connected vignettes poems stories songs and even play like dialogues Drawing on both modernist poetry and African American spirituals Toomer imbues each form with a lyrical and often experimental sensibility The work is structured in three distinct but unnamed parts The first is set in rural Georgia and focuses on the lives of women and the men who desire them The second part moves to the urban enclaves of the North in the years following the Great Migration The third and final part returns to the rural South and explores the interactions between African Americans from the North and those living in the South Although sales languished in the later years of Toomer s life the book was reissued after his death and rediscovered by a new generation of American writers Alice Walker described *Cane* as one of the most important books in her own development as a writer I love it passionately could not possibly exist without it This book is part of the Standard Ebooks project which produces free public domain ebooks
