Love In The Words And Life Of Jesus:

Love in the Words and Life of Jesus ,1973 **The Word of Life** Craig R. Koester,2008-11-17 This work explores the major theological dimensions of John s Gospel including God the world and its people Jesus the crucifixion and resurrection the Spirit faith and discipleship The Word of Life by Craig Koester is notable for its comprehensive treatment of themes and its close careful focus on the biblical text on the narrative itself Koester interacts throughout with the best of current research and makes creative proposals about how to understand the many aspects of John s theology His clear and highly readable guide to the theology of John s Gospel will serve a wide range of readers BOOK JACKET **Mary, Bearer of Life** Christopher Cocksworth,2023-05-31 Whether through suspicion or ignorance serious consideration of what Mary can teach us has been lacking in large swathes of the church for some time Drawing on careful biblical exegesis church history and ecumenical thinking this book suggests how a serious understanding of Mary might influence our ethical thought and considers some of the key theological tensions at the heart of the church s engagement with Mary *The Life and Words of Christ* Cunningham Geikie,1878 Feasting on the Word: Year C, Volume 1 David L. Bartlett,Barbara Brown Taylor,2009-07-29 With this new lectionary commentary series Westminster John Knox offers the most extensive resource for preaching on the market today When complete the twelve volumes of the series will cover all the Sundays in the three year lectionary cycle along with movable occasions such as Christmas Day Epiphany Holy Week and All Saints Day For each lectionary text preachers will find four brief essays one each on the theological pastoral exegetical and homiletical challenges of the text This gives preachers sixteen different approaches to the proclamation of the Word on any given occasion The editors and contributors to this series are world class scholars pastors and writers representing a variety of denominations and traditions And while the twelve volumes of the series will follow the pattern of the Revised Common Lectionary each volume will contain an index of biblical passages so that nonlectionary preachers as well as teachers and students may make use of its contents **Just Soul Food II-Greens/Holy Spirit's Love-Christ's Cross** Ron Carter,2006-01-02 Just Soul Food II is the second book in the Just Soul Food Bible Study Series It s designed to present a collective perspective laying out plainly on a plate of soul food the concepts elements and cyclical pattern of love The Greens were developed as a means to simply illustrate both graphically and literally the deeper understanding of God s love that Christ fulfilled and delivered to mankind through his lifetime and cycles on earth recorded in the New Testament www justsoulfood org Love of Friendship in the Christian Life Jonathan Sammut,2019-12-27 Theological reflection on friendship as a particular form of Christian love emerges in Holy Scripture and continues to be elaborated in the Christian tradition However love of friendship was at times absorbed into the other traditional understanding of love love of God and of neighbor After a philosophical historical study of the Greco Roman roots of friendship in moral reflection and how and to what extent this was appropriated in the Christian tradition this book illustrates the transcendental character and the novelty of the Christian understanding of

friendship found in Holy Scripture focusing particularly on the most relevant texts in the Fourth Gospel where love and friendship stand to be important themes It also shows how Saint Thomas Aquinas through his exegesis of the Fourth Gospel his synthesis of the Christian tradition and his ability to rearticulate Christian theology through Aristotelian philosophy inimitably defines the theological virtue of caritas as friendship with God In so doing he depicts friendship as the finality the telos of the Christian life Finally the book aims to show how the retrieval of a proper theology of friendship rooted in Holy Scripture and Christian tradition can enrich the life of an authentic Christian and contribute to the ongoing process of renewing moral theology

Dunn, 2013-07-15 In this book Dan Dunn proposes that the biblical theme of life is extremely important and thus provides a helpful foundation for the theory and practice of evangelism He makes a strong case for Christ followers to embrace a life based evangelistic vision as a way to help non believers choose the full and vibrant life that God intends for them in Jesus While making this strong case he also urges readers to avoid casting aside other evangelistic visions such as those based on discipleship the kingdom forgiveness atonement etc Instead he invites us to add a life based evangelistic vision to the possibilities available to us for helping people choose to follow Jesus and thus experience the life He makes possible for them
