**Completely Yours** Michael McNamar, 2012-11-12 Love and acceptance are two basic needs that all human beings share But only by giving our lives completely to Jesus Christ like I did nearly thirty years ago can we have those needs fulfilled After twenty two years of marriage having raised two children and being involved in education for over twenty years its possible for me to tell Nancys story It is a story about a human being in search of a relationship with her Creator Completely Yours is about real people and real problems It is like my first book Crushed by Love a story of healing and recovery from severe childhood abuse that probes the same human needs love and acceptance It is not just a womans story it is a human story Nancys life was destroyed when her marriage to Morgan ended after fifteen years of

unfaithfulness separating Nancy from her daughter Cassie She found hope for a new life that night when she knocked on Brians apartment door Not only did she find someone who would love her in spite of her past Nancy also gave her life completely to Jesus Christ the only true healer of the human heart Years later now a mother in her own right Nancy is being reunited with Cassie Morgan is dying of the effects of AIDS and Cassie needs the only mother she has ever known Her phone call starts Nancy down memory lane that brings her life full circle Completely Yours deals with very challenging issues in such a sensitive way that anyone who reads this book will know that God loves them no matter what has happened in their lives in the past Lee Hartman *Embracing Destiny - Season 1* J.D. Settles,2005-10-24 As a writer I mainly focus on relationships All the perils concerned with becoming involved in and maintaining a relationship with the opposite sex As women are emotional creatures they sometimes feel that they must have an emotional relationship before beginning a sexual relationship While men are usually more visual and physical by nature They are turned on by physical contact and visual stimuli but women need so much more than that Women need emotional and spiritual nurturing while men tend to lack understanding in that area of womens needs When the two come together this tremendous lack of understanding causes an abundance of pain and heartache Women are left feeling under appreciated neglected and unloved Men on the other hand usually dont understand what the problem is in the relationship We often assume they will not understand there is also a gap in communication which furthers the stress we feel As a writer I attempt to explain this pain and heartache that women so often go through because of these misunderstandings But in the end we MUST eventually turn to a real relationship with God in order to reach the fullest potential that life has to offer Be a Man!
