Love Of God The:

The Love of God Christopher W. Morgan, 2016-09-30 Our understanding of the love of God has been tragically distorted. The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God's love. Featuring contributions from well-known evangelical scholars, this multi-disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology, biblical theology, apologetics, pastoral theology, and ethics. The contributors, including D. A. Carson, Andreas J. Köstenberger, Raymond C. Ortlund Jr., Robert L. Plummer, and many others, address a variety of issues related to how God's love is expressed in the Old and New Testaments, the Trinity, apologetics, Christian living, social justice, and more. This addition to the Theology in Community series will promote clear, sound thinking about what Scripture means when it declares that God is love. Part of the Theology in Community series. **The Love of God** Jon D. Levenson, 2016 The love of God is perhaps the most essential element in Judaism, but also one of the most confounding. In biblical and rabbinic literature, the obligation to love God appears as a formal commandment. Yet most people today think of love as a feeling. How can an emotion be commanded? How could one ever fulfill such a requirement? The Love of God places these scholarly and existential questions in a new light. Jon Levenson traces the origins of the concept to the ancient institution of covenant, showing how covenantal love is a matter neither of sentiment nor of dry legalism. The love of God is instead a deeply personal, two-way relationship that finds expression in God's mysterious love for the people of Israel, who in turn observe God's laws out of profound gratitude for his acts of deliverance. Levenson explores how this bond has survived episodes in which God's love appears to be painfully absent, as in the brutal persecutions of Talmudic times, and describes the intensely erotic portrayals of the relationship by biblical prophets and rabbinic interpreters of the Song of Songs. He examines the love of God as a spiritual discipline in the Middle Ages, as well as efforts by two influential modern Jewish thinkers, Martin Buber and Franz Rosenzweig, to recover this vital but endangered aspect of their tradition. A breathtaking work of scholarship and spirituality alike, that is certain to provoke debate. The Love of God develops fascinating insights into the foundations of religious life in the classical Jewish tradition. *The Love of God* Lee Kah Wor, 2021-09-21 This e-Booklet is about what I have understood from the sermons by Pastors Lim Lian Neo and Lawrence Lim Fong Boon of New Creation Church on 12 and 19 September 2021, respectively. I received a new perspective on repentance from the sermon by Pastor Lian. Align the visions of myself with that of God. In other words, a renewal of my thought life. My feet follow my mind. Hence, right believing leads to right living. The power to not be conformed to the world but transformed by God is through the renewal of the mind. A repentance. Romans 12:2. I am who God said I am. I have what God said I have. What constantly occupies my mind dominates my life. Sin will not have dominion over me when my mind is dominated by the love of God. Romans 6:14. From the sermon of Pastor Lawrence, I saw the essence of Nehemiah Chapter 9 captured by just one New Testament verse, Romans 5:8. Indeed, the Old is the New concealed, and the New is the Old revealed. Romans 5:8 encapsulated

Mason, 2016-02-18 These homilies lectures and essays vigorously champion the author's conviction that it is reasonable to believe in a God of pure unbounded love and also that the best religion is a reasonable religion That is the God of Love is the God of Reason and as a seventeenth century Cambridge preacher put it If you would be religious be rational in your religion Thus these essays challenge both the New Atheists and Fundamentalists who are twins like Tweedledum and Tweedledee And they aim positively to unpack the meaning and implications of Jesus dictum You shall love the Lord your God with all your heart and with all your soul and with all your mind This is the greatest and first commandment And the second is like it You shall love your neighbor as yourself On these two commandments hang all the law and the prophets **Aunt Edith; or, Love to God the best motive [by J. Smith, 2008-06-24 In today's world many people fail to experience the powerful freedom and healing of God's grace Even Christians too often experience judgment rather than the love that is the vital essence of Christian life This visionary guide calls believers back to the basics understanding the promise of God's love to transform our most important relationships and fulfill our deepest spiritual needs The moving insights found within illuminate the gentle nature of God's love and teach readers how to continue on the path of love by embracing it day by day **Within the Love of God** Anthony Clarke, Andrew Moore, 2014-11-27 The doctrine of God is central to theology for it determines the way in which other regions of Christian doctrine are articulated yet work on this topic in its own right has been occluded recently by treatments of the Trinity or divine passibility This collection of specially commissioned essays presents major treatments of key themes in the doctrine of God motivated by but not restricted to the work of Professor Paul S Fiddes to whom it is offered as a Festschrift It includes invigorating discussions of the biblical and non biblical sources for the doctrine of God and the section on Metaphysics and the Doctrine of God examines some of the most important conceptual questions arising in contemporary theological debate about the being and nature of God and God's relations to the world The final section of the book on God and Humanity will be highly relevant to scholars working in the fields of theological anthropology moral and political theology on inter faith relations on theology and literature or who are

interested in the impact of contemporary science on the doctrine of God The introduction relates the essays in the book to the work of Professor Fiddes and to wider debates in Christian doctrine This volume brings together a team of internationally distinguished scholars from a wide range of theological philosophical and religious perspectives and it will stimulate fresh thinking and new debate about this most central of topics in Christian theology **The Love of God and The Age to Come**

Thomas Ronald Vaughan,2019-04-24 In eternity God will deal lovingly and effectively with all sin and evil God will not however deal with sin and evil eternally There is no need God will destroy all sin and evil while saving everyone who ever lived There is no eternal hell This book presents reasons for such a large and hopeful faith *For the Love of God and People* Elliot N. Dorff,2007-11-01 Every generation of Jews in every denomination of Judaism finds itself facing complex legal questions The status of same sex unions and the plight of the agunah a woman who cannot obtain a divorce are just two of a myriad of thorny questions Jewish legal experts grapple with today These are not esoteric problems but issues with a profound impact on the daily happiness of countless people How do the rabbis who draft responses to these questions reach their conclusions What informs their decisions and their approach to Jewish law Acclaimed writer and legal expert Elliot Dorff addresses these and other questions in this intelligent accessible guide to the philosophy behind Jewish law In his view Jewish law is an expression of the love we have for God and for our fellow human beings This theme permeates his discussion of important aspects of the law For example what motivates modern Jews to follow Jewish law How does Jewish law strike the balance between continuity and change On what grounds and under what circumstances do human beings have the authority to interpret or even change God s laws Dorff also offers a systematic comparison of Jewish law and U S law based on his course on this subject at UCLA School of Law Whether you are a lawyer or simply interested in the philosophy behind recent rabbinic decisions this is a book that will deepen your understanding of the Jewish legal system and its role in the modern world **Uncontrolling Love** L Michaels,Gloria Coffin,Craig Drurey,Chris Baker,Donna Fiser Ward,Graden

Kirksey,2017-08-07 What if God is not in control And what if instead God always expresses uncontrolling love Eighty leading thinkers explore the implications of a new way to think about God the world and our everyday lives Their conclusions are radical whether their writing is in story form or more academic Essayists take ideas in Thomas Jay Oord s award winning book *The Uncontrolling Love of God An Open and Relational Account of Providence* IVP Academic Each contributor explores how we might think and live in light of uncontrolling love **God of Love and God of Judgement** Stephen K.

Moroney,2009-07-06 How can a God of love also be a God of judgment If God loves everyone what is the point of judgment Does God change from being wrathful in the Old Testament to loving in the New Testament Can we discern God s judgments in current events such as hurricanes and personal tragedies Is it ever right for humans to judge These are not just daunting issues for theologians to ponder They are urgent questions for everyone Our answers profoundly affect how we relate to God and how we live with one another Coming to grips with these issues is vital for our spiritual journeys Many people today

emphasize God's love and downplay his judgment. The problem with this approach is that God's judgment is taught in Scripture from the beginning of Genesis to the end of Revelation and it is a core part of the gospel preached by Jesus and his apostles. There are problems at the other end of the spectrum too when we believe in a God of judgment who is not also a God of love. It is impossible for us to find spiritual peace when we live in constant dread of God pictured as a harsh judge whom we can never please. This book calls us to embrace a more full biblical image of God, one that joins his love and judgment together. Additionally, the book shows that as those who are made in God's image, we can fuse love and judgment together constructively in our own daily lives.

Embracing the Love of God James Bryan Smith, 2010-09-14 Unfortunately in today's world many people fail to experience the freedom and healing power of God's grace. Even Christians too often experience judgement rather than the love that is the vital essence of Christian life. A visionary guide in the spirit of Celebration of Discipline, *Embracing the Love of God* calls Christians back to the basics to understanding the promise of God's love to transform our most important relationships and fulfill our deepest spiritual needs. Here James Bryan Smith launches readers on a revitalizing spiritual journey. He distills the basic principles of Christian love and provides a new model for relationship with God, self, and others that is based not on fear and judgement but rather on acceptance and care. Smith's moving insights illuminate the gentle nature of God's love and teach readers how to continue on the path of love by embracing it day by day. For both new Christians and those desiring renewal, *Embracing the Love of God* offers hope, peace, and guidance for spiritual growth.

A Supplement to the Morning-exercise at Cripple-gate Samuel Annesley, 1674 The Glory of God's Light: Connect with God Through His Light, Love, and Word Brother Raymond, 2020-05-19 Darkness represents anything that is inconsistent with God's nature, character, and manifestation. It appears humanity has lost its connection with God, but finding a relationship with God can bring us into the light of His love. In *The Glory of God's Light*, Brother Raymond shows how to have a relationship with God through His Light, His Love, and His Word. Brother Raymond digs deeper into Scripture and takes examples from his own life to show how God's light is present in every circumstance and points those in darkness into the glory of God's light. Could you relish a great relationship with God, our Heavenly Father? Yes, you can.

The Analogy of Love Gary Chartier, 2015-11-09 This book offers an overview of Christian theology organized around the twin themes of divine and human love. The book covers the traditional theological topics as well as basic questions of theological method. It seeks to integrate a focus on love throughout. While love is regularly canvassed as a dominant theme in Christian thought, it has rarely been the focus of Christian theological construction or a constraint on theological formulation. The book seeks to suggest, chapter by chapter, how a given topic relates to the broad theme of love. The book is written in a way designed to make it accessible to university students and educated laypersons. At the same time, it takes positions on controverted scholarly issues, and the methodological approach outlined at the beginning will be of interest to academic theologians.
