

"If you don't love her, leave her. If you can't picture her in a white dress walking down the aisle towards you, leave her. If you aren't able to see her as the woman who will raise your children, leave her. If you don't like the way she looks first thing in the morning, leave her. If her laugh doesn't warm you up inside, leave her. If her smile doesn't take your breath away, leave her. If her love for the sky bores you, leave her. If she in general doesn't fascinate you, leave her because someone out in the world is searching for this extraordinary girl who you believe is just ordinary."
