Love Out Loud Marissa Clarke, 2022-06-06 A deliciously fun flirty rom com where love doesn t happen by opening a door it happens when you get stuck in one Veterinarian Fiona Nichols does not do well in stressful social situations A little babble here saying the absolutely wrong thing there But that doesn t stop Fiona from checking out the delectably hot guy in her building from afar Fate apparently has a nasty sense of humor though Somehow Fiona gets herself and Hot Guy stuck in the building s revolving door all thanks to a certain squeaky dog toy that unfortunately looks decidedly uh penile Must be time to meet the neighbors Turns out that Jake Ward is Fiona s new public speaking coach A hot extrovert who always knows what to say Fiona should hate the man on sight Instead she s only finding him more attractive And now she s finally getting out of her comfort zone only to get in over her head

Seasons of Love Eleanor Sampeck, 2004 Twenty five years ago an extended family made a return to nature move to the country This magical book is the record of their struggles and growth The book achieves its vividly realistic tone by covering the family s lived experience from joy to sorrow life and death and lofty to such mundane details as manure for the garden Its pages are populated by four generations unusual in a time when the nuclear family is everything Although the work is supported by sound theological and psychological theory it never lingers too long in these realms but continues to continue the daily drama of one family s risky living of the gospel
