## Love Run:

**Love, Reason and Morality** Katrien Schaubroeck, Esther Kroeker, 2016-07-28 This book brings together new essays that explore the connection between love and reasons The observation that considerations of love carry significant weight in the deliberative process opens up new perspectives in the classic discussion about practical reasons and gives rise to many interesting questions about the nature of love s reasons about their source and legitimacy about their relation to moral and epistemic reasons and about the extent to which love is sensitive to reasons The contributors to this volume orient questions related to love within the broader context of the contemporary discussion on practical reasons and move forward the conversation about the normative dimensions of love Love Reason and Morality will be of interest to philosophers working on issues of normativity meta ethics and moral psychology and especially those interested in the source of practical reasons and the role of attachments in practical deliberation

Library of Congress. Copyright Office, 1949. *Running Crazy - Imagine Running a Marathon. Now Imagine Running Over 100 of Them. Incredible True Stories from the World's Most Fanatical Runners*. Helen Summer, 2012-03-05. Pheidippides did it once and became a legend. Brian Mills did it over 800 times, but you might be forgiven for not knowing who he is. He is a runner, and it is the marathon, all 26 miles and 385 yards of it, and for some people, once is not enough. Brian Mills is rumoured to have a butterfly tattoo for each of his 800 plus efforts. And Brian is not the only one who has notched up three digits of gruelling athletic endeavour. The 100 Marathon Club, also known as the Hell's Angels of Running and Running Sluts, running one race whilst thinking of another, is growing in number every year. This is a club with no prejudices and only one prerequisite for membership: the completion of 100 marathons. It is full of colourful, contrasting characters with idiosyncratic personalities and diverse lifestyles. They make up a gargantuan melting pot of humanity linked by one common desire: to run and run and run. But who would want to run 100 marathons or more? And why? How do they find the time, the money, the energy? Are they crazy? Find out by reading their stories. Some will make you laugh, others will make you cry, some may even inspire you to run a marathon. Believe it or not, these are ordinary, everyday people like you. Although when you have finished laughing and crying, you may still not be sure whether they are crazy or passionate. But you, as they do when they run, will have a lot of fun along the way.

**On The Trail Of Negro Folk-Songs** Dorothy Scarborough, 2022-06-02. How often have I overheard alluring snatches of song, only to be baffled by denial when I asked for more? Kindly black faces smile indulgently, as at the vagaries of an imaginative child, when I persist in pleading for the rest. Nawm honey, I was and am not singing, nothing, nothing at all. How often have I been tricked into enthusiasm over the promise of folk songs, only to hear age-worn phonograph records, but perhaps so changed and worked upon by usage that they could possibly claim to be folk songs after all, or Broadway echoes or conventional songs by white authors. Yet cajolements might be in vain, even though all the time I knew, by the uncanny instinct of folklorists, that there were folk songs there. And even when you get a song started when you are listening with your heart in your ear and the greed of the folklorist in your eye, you may lose out. If you seem too much interested, the song retreats, draws in like a turtle and its head, and no amount of coaxing will make it venture back. And there is something positively fatal about a pencil. Songs seem to be afraid of lead poisoning. Or perhaps the pencil is secretly attached

by a cord a vocal cord to the singer and s tongue It must be so for otherwise why has it so often happened that when I distrustful of my tricky memory to hold a precious song have sneaked a pencil out to take notes the tongue has suddenly jerked back and refused to wag again Yet that is not always the case for sometimes the knowledge that his song is being written down inspires a bard with more respect for it and he gives it freely      Unstoppable Christine Caine,2014-08-26
