Love So Fresh A:

Songs from the Heart Catrina De jong Parkinson,2011-03-03 Songs From The Heart is a book on poetry written in the authors own words They come from her thoughts feelings emotions and experiences It is her way of making sense of her life lessons and resolving any unresolved issues she may have carried in her heart They also shed light on her own awakening into the conscious world You get a sense of her mood and emotions as she writes It gives you a small window in to her world and her thoughts as well as letting you reflect on your own feelings You see that she finds great pleasure in writing about her love for her children and her desire to express these feelings for them But on the other had you also get to feel her frustrations as she travels through her life journey As you read on you see her growth both in mind and soul as she learns when to let go and let be and when to act This is a book that will touch the lives of those who let it and change the way you see your world It allows you to see that life is full of different emotions and it is not necessarily about how it makes us feel but what we can do about those feelings inside Each feeling is a gift of growth and its up to us to see those gifts
