The Theology of Schleiermacher Karl Barth, 2020-05-27 Barth's challenge to Schleiermacher's liberalism Brilliant and Pastoral Sermons and Occasional Sermons Ronald Knox, Ronald Arbuthnott Knox, 2002 The highly comprehensive esteemed Catholic convert writer and apologist Ronald Knox a master of the English language was well regarded for his gifts both of writing and preaching This volume combines both skills as it is a collection of his homilies on all the important themes of the spiritual and moral life and on his favorite saints men and women of history who were inflamed with the love of Christ In his always descriptive profound and witty style Knox covers a very wide variety of pastoral themes for Christian living and growth in spiritual perfection Themes such as The Fatherhood of God The Sermon on the Mount The Gifts of God The Triumph of Suffering The Divine Sacrifice and dozens more In his occasional sermons on saints and Christian heroes he shows how these heroes of history struggled with many of the same spiritual battles that modern believers encounter daily and overcame them with faith courage character and virtue These are the shining witnesses of the truth and charity we all seek to emulate AAR/SBL Annual Meeting Program American Academy of Religion. Meeting, 2002 Selected **Sermons of Schleiermacher** Friedrich Schleiermacher,2004-03-17 Sermons Joseph Fort Newton, 1916 **Transformational Words** Roger Hayes, 2011-01-09 In Transformational Words I hope to provide you with simple yet

profound biblical truths that will cause you to think act repent and or rejoice The reason that I created this volume is for those reading to be edified within their spirit I pray that my sermons may inspire you the reader to find a new depth in relationship with Jesus Do not be conformed to this world but be transformed by the renewal of your mind that by testing you may discern what is the will of God what is good and acceptable and perfect Romans 12 2 Selected sermons, tr. by M.F. God, Freedom and Human Dignity Ron Highfield, 2012-11-29 Ron Highfield Wilson Friedrich Schleiermacher, 1890 traces the genealogy of the modern self from Plato Descartes and Locke to Charles Taylor's landmark Sources of the Self What emerges is a stark portrait of the modern ideal of self governance and the crisis it provokes for a Christian view of human identity freedom and dignity found in God **Pro-justice Ethics** Richard A. Hughes, Richard Hughes, 2009 Pro Justice Ethics From Lament to Nonviolence is an original work within Christian social ethics and is based upon the civil rights movement the philosophy of nonviolence and the biblical lament tradition. The author formulates the justice imperative as an ethic of duty and defines justice as an act of protesting preventing and remedying injustices that cause human suffering Formally injustice is the violation of fairness equality and dignity but in its primal form injustice is child abuse Birth and death are discussed from a justice perspective beyond the dichotomy of pro life and pro choice Special attention is devoted to the injustices of globalization international human rights abuses and corporate violations of the natural rights of water in the earth commons Book Jacket American Book Publishing Record ,2005 The Pursuit of Happiness Sarah Heaner Lancaster, 2010-12-08 People want to be happy Nothing could be more obvious and yet this common and evident goal is not as easy to achieve as it is to desire The Christian tradition has understood happiness to be gained through relationship with God and it has much to say about what will make us truly happy and what will not This book examines happiness from a Christian perspective using John Wesley as the focus of study because he understood happiness with God to be the very goal of Christian life He also understood that Christian happiness needed to acknowledge the difficulties of life This book seeks to learn from the wisdom of the past in order to imagine how Christians today might talk about happiness in a way that is faithful to the tradition and engages the world as well History of Dogma Adolf von Harnack, 1899 Divine Sex Ionathan Grant, 2015-07-14 The digital revolution has ushered in a series of sexual revolutions all contributing to a perfect storm for modern relationships Online dating social media internet pornography and the phenomenon of the smartphone generation have created an avalanche of change with far reaching consequences for sexuality today The church has struggled to address this new moral ecology because it has focused on clarity of belief rather than quality of formation The real challenge for spiritual formation lies in addressing the underlying moral intuitions we carry subconsciously which are shaped by the convictions of our age In this book a fresh new voice offers a persuasive Christian vision of sex and relationships calling voung adults to faithful discipleship in a hypersexualized world Drawing from his pastoral experience with young people and from cutting edge research across multiple disciplines Jonathan Grant helps Christian leaders understand the cultural forces

that make the church's teaching on sex and relationships ineffective in the lives of today's young adults. He also sets forth pastoral strategies for addressing the underlying fault lines in modern sexuality. Herald and Presbyter, 1910. The Congregationalist and Christian World, 1905.
