Love The Animals Meditations And Prayers:

Love the Animals Andrew Linzey, Tom Regan, 1989 *All God's Creatures: The Blessing of Animal Companions* Debra Farrington, 2012-02-01 *All God's Creatures* provides a complete Blessing of the Animals liturgy as well as other prayers and rituals for use in church or anywhere that animals are blessed. If you live with a dog, cat, or some other domestic animal, you already know that these treasured creatures are not just pets but members of the family. Debra K. Farrington, who has lived with animals most of her life, explores the spiritual aspects of our relationships with these beloved friends from everyday caring for their needs to marking the extraordinary moments of birth, illness, and death. Full of warmth and wisdom, this essential resource includes chapters on Training and Compassion and how to balance the two. Caring for the Sick, ethical concerns, Rest in Peace rituals, blessings, and more. Tell Me Your Name: discerning the personality of your companion. By viewing companion animals as a gift from God rather than objects that do the will of humans, Debra Farrington helps owners realize a greater sense of responsibility toward their own pets and shows how the humane care and training of their animals leads to a more fulfilling experience for both. Barbara Demarest, canine and feline behavior consultant. On God and Dogs Stephen H. Webb, 1998-01-15 Many of us keep pet animals; we rely on them for companionship and unconditional love. For some people, their closest relationships may be with their pets. In the wake of the animal rights movement, some ethicists have started to re-examine this relationship and to question the rights of humans to own other sentient beings in this way. In this engaging and thought-provoking book, Stephen Webb brings a Christian perspective to bear on the subject of our responsibility to animals, looked at through the lens of our relations with pets, especially dogs. Webb argues that the emotional bond with companion animals should play a central role in the way we think about animals in general and against the more extreme animal liberationists. He defends the intermingling of the human and animal worlds. He tries to imagine what it would be like to treat animals as a gift from God and indeed argues that not only are animals a gift for us, but they give to us; we need to attend to their giving and return their gifts appropriately. Throughout the book, he insists that what Christians call grace is present in our relations with animals just as it is with other humans. Grace is the inclusive and expansive power of God's love to create and sustain relationships of real mutuality and reciprocity, and Webb unfolds the implications of the recognition that animals too participate in God's abundant grace. Webb's thesis affirms and persuasively defends many of the things that pet lovers feel instinctively: that their relationships with their companion animals are meaningful and important and that their pets have value and worth in themselves in the eyes of God. His book will appeal to a broad audience of thoughtful Christians and animal lovers. The Complete Idiot's Guide to Meditation Joan Budilovsky, Eve Adamson, 2002-11-01 You're no idiot, of course.
