Loved On A Grander Scale:

Loved on a Grander Scale Random House, 1999-07-01 **Sculpture on a Grand Scale** Tyler Sprague, 2019-07-22 The Kingdome John Jack Christiansen's best known work was the largest freestanding concrete dome in the world Built amid public controversy the multipurpose arena was designed to stand for a thousand years but was demolished in a great cloud of dust after less than a quarter century Many know the fate of Seattle's iconic dome but fewer are familiar with its innovative structural engineer Jack Christensen 1927 2017 and his significant contribution to Pacific Northwest and modernist architecture Christiansen designed more than a hundred projects in the region public schools and gymnasiums sculptural church spaces many of the Seattle Center's 1962 World's Fair buildings and the Museum of Flight's vast glass roof all reflect his expressive ideas Inspired by Northwest topography and drawn to the region's mountains and profound natural landscapes Christiansen employed hyperbolic paraboloid forms barrel vault structures and efficient modular construction to echo and complement the forms he loved in nature Notably he became an enthusiastic proponent of using thin shell concrete the Kingdome being the most prominent example to create inexpensive utilitarian space on a large scale Tyler Sprague places Christiansen within a global cohort of thin shell engineer designers exploring the use of a remarkable structural medium known for its minimal use of material architecturally expressive forms and long span capability Examining Christiansen's creative design and engineering work Sprague who interviewed Christiansen extensively illuminates his legacy of graceful distinctive concrete architectural forms highlighting their lasting imprint on the region's built environment A Michael J Repass Book *Sibling Rivalry on a Grand Scale: The Devil's in the Details* Robert Akers, 2011-10-18 This is a follow up to *Sibling Rivalry on a Grand Scale* Jacob Esau In Volume 1 the foundation was laid regarding this family feud that started about 4 000 years ago Here in Volume 2 more details are given revealing just how current the Edomite's vendetta is with Jacob's descendants and how it involves everyone *Mammuth, Or Human Nature Displayed on a Grand Scale* William Thomson, 1789 *Passionate Love and Popular Cinema* Erica Todd, 2013-12-16 This book analyses the romantic drama and the way that passionate love is presented as the central storyline in popular cinema drawing upon genre studies and sociology Exploring the passionate love story as a cinematic form it also contributes through comparison to research on the romantic comedy **The Hierarchy of Human Sufferings - A poetic anatomy of grand scale anguishes** Ernst Delma, 2010-09-16 *The Hierarchy of Human Sufferings* or the poetic anatomy of grand scale anguishes ambitions to be a succinct but exhaustive account about humankind's great pains and the great calamities divine natural or man made that periodically provoke them Succinct by its sheer volume exhaustive by its arguments and criteria of reflections to which the author refers in its development The events utilized by the author are intermittently pulled out of the biblical and secular vast reservoirs Thus the arguments are worthy and at the height of the author's ambition to be able to convince the reader that when our calamities are not from nature or man made they are evidently self inflicted owing it to the concept that we often

are the artisans of our own sufferings Do not miss to read The Hierarchy of Human Sufferings Make it your next bedside book

Lacan on Love Bruce Fink, 2017-09-05 Quintessentially fascinating love intrigues and perplexes us and drives much of what we do in life As wary as we may be of its illusions and disappointments many of us fall blindly into its traps and become ensnared time and again Deliriously mad excitement turns to disenchantment if not deadening repetition and we wonder how we shall ever break out of this vicious cycle Can psychoanalysis with ample assistance from philosophers poets novelists and songwriters give us a new perspective on the wellsprings and course of love Can it help us fathom how and why we are often looking for love in all the wrong places and are fundamentally confused about what love really is In this lively and wide ranging exploration of love throughout the ages Fink argues that it can Taking within his compass a vast array of traditions from Antiquity to the courtly love poets Christian love and Romanticism and providing an in depth examination of Freud and Lacan on love and libido Fink unpacks Lacan's paradoxical claim that love is giving what you don't have He shows how the emptiness or lack we feel within ourselves gets covered over or entwined in love and how it is possible and indeed vital to give something to another that we feel we ourselves don't have This first ever commentary on Lacan's Seminar VIII

Transference provides readers with a clear and systematic introduction to Lacan's views on love It will be of great value to students and scholars of psychology and of the humanities generally and to analysts of all persuasions Harrington: A Story of True Love William Douglas O'Connor, 2000 Excerpt Ah no dear Josephine he interrupted Decidedly you are wrong Go to court swear that you hate me loathe me abhor me swear that life is insupportable with me and plead for release and the blessed old law will tell you that you are living and must live in holy matrimony Go to any southern State go to South Carolina and state my refined and delicate cruelty Why Judge Somebody or other in the next State boasts that it is the unfading honor as he calls it of South Carolina that she never has granted a divorce for any cause whatever Well go North go to New York for instance Why their great Panjandrum up there the Tribune man what's his name Greeley he will tell you that you are living and must live in holy matrimony Bless him said Mr Lafitte piously I love him I love him well I hate him for his Abolitionism I love him for his views on holy matrimony I hate him because he tries to weaken my power over my slaves I love him because he tries to strengthen my power over you my angel So do the rest of them Go to any State you like and they will all tell you that you are living and must live in holy matrimony
