favorite authors Colleen Hoover One summer Two rivals A plot twist they didn't see coming Nora Stephens life is books she's read them all and she is not that type of heroine Not the plucky one not the laidback dream girl and especially not the sweetheart In fact the only people Nora is a heroine for are her clients for whom she lands enormous deals as a cutthroat literary agent and her beloved little sister Libby Which is why she agrees to go to Sunshine Falls North Carolina for the month of August when Libby begs her for a sisters trip away with visions of a small town transformation for Nora who she's convinced needs to become the heroine in her own story But instead of picnics in meadows or run ins with a handsome country doctor or bulging forearmed bartender Nora keeps bumping into Charlie Lastra a bookish brooding editor from back in the city It would be a meet cute if not for the fact that they've met many times and it's never been cute If Nora knows she's not an ideal heroine Charlie knows he's nobody's hero but as they are thrown together again and again in a series of coincidences no editor worth their salt would allow what they discover might just unravel the carefully crafted stories they've written about themselves
