You Must Love Others Shri Mataji Nirmala Devi, 2002-01-15 Those who must also be loved Shri Mataji explains are those who are not Sahaja Yogis but are waiting for their Self realization In this magazine Shri Mataji travels to Hong Kong Sahaja Yogis report from Mexico and Shri Mataji tells of us of her greatest puja it is that human beings And finally two women at first strangers meet in Sicily only to realize they are both Sahaja Yogis *Learning to Love Others* Richard Peace, 2015-04-28 At the heart of Jesus' call to us is the call to love others But this can be so difficult For one thing others are not always very lovable for another loving others sometimes gets in the way of our own self interests But if we want to follow Jesus love needs to be our lifestyle and the way we treat others really does matter It's not all sacrifice and pain though To be in loving relationship with others is to be truly alive and it's the source of our greatest joy This study will help you love others the way Jesus desires You'll learn how to study the Bible as you examine and discuss topics such as Loving Others Loving Our Families Fellowship with Others Getting Along with Others Opposition from Others Sharing Our Faith with Others Serving Others Each chapter has three main sections Group Study materials for a sixty to ninety minute small group Bible study Study Resources notes and comments for use in both group and personal study Personal Study a series of reflection questions for use by group members on their own during the week Extra help is available at the end of the book in the

sections The Art of Leadership tips on how to lead a small group and Small Group Leader's Guide notes on each session The goal of PILGRIMAGE GUIDES is to understand what it means for us to meet and know Jesus Through an examination of the spiritual disciplines of Bible study prayer and worship we experience what it means to be a spiritual pilgrim walking in a new way with God And we look at how this new way changes the way we view others and live our lives in Christ PILGRIMAGE GUIDES Learning to Love God Learning to Love Ourselves Learning to Love Others **Love God, Love Others, Love Yourself: A 90-Day Devotional for Young Women** Briana Bass,2024-08-26 Our world is broken It needs more love We are broken We need more love When the world seems dark God's light shines through You are a vessel of that light By putting more love into a broken world you can become a beacon of hope In this three part devotional you'll explore what it means to love as God loves Each section focuses on a specific aspect of how God loves us and how we can share God's love with the world To do so we must first learn what it truly means to love God love others and love ourselves Through daily Scripture lessons journal questions activities and prayers you will Discover the depth of God's love Learn self care techniques Increase your Biblical literacy *How God Asks You To Love Others: A Field Manual* Mark Lambert,2020-07-15 This book is all about you learning to distinguish your voice from God's so that you can respond immediately when he taps you on the shoulder to do whatever he wants you to do in any of the relationships in your life It will also help you to recognize that those people are not in your life accidentally but have been designed as potential divine encounters before you were ever born according to Ephesians 2:10 We were made to be relational and he has called us to be God with skin on to impact the world around us Are we looking for those opportunities or just making it through our day without giving or getting the blessings he has planned for us and those in our lives It's part of who you are and what he created you to be **The Love of God** Christopher W. Morgan,2016-09-30 Our understanding of the love of God has been tragically distorted The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God's love Featuring contributions from well known evangelical scholars this multi disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology biblical theology apologetics pastoral theology and ethics The contributors including D A Carson Andreas J K stenberger Raymond C Ortlund Jr Robert L Plummer and many others address a variety of issues related to how God's love is expressed in the Old and New Testaments the Trinity apologetics Christian living social justice and more This addition to the Theology in Community series will promote clear sound thinking about what Scripture means when it declares that God is love Part of the Theology in Community series Morning and Evening Meditations from the Word of God Michael J. Akers,2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational

challenging and encouraging Most of these writings were based on author Michael J Akers s teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God *The Longest Half Inch* Russ Seel,2022-06-24 May you feel the love presence and tranquility of God and may your love relationship with Him continue to grow throughout your life and beyond A key question What has God designed and placed us on this earthly journey to learn and or do Are your my heart and action true to that calling If so are we being faithful to becoming what God created each of us individually to be All is well Remember God s words to His disciples This kind goes out but through prayer and fasting Always say All is well Long though the way may seem there is no too much by half God is not only with you on the journey He planned it and is planning it There are and will be unspeakable joys on that journey look for them Courage Courage Courage Why are we so blind as to think earthly life is all there is Why do we ignore the immense treasure of love What does it take to understand and make it so The Analogy of Love Gary Chartier,2015-11-09 This book offers an overview of Christian theology organized around the twin themes of divine and human love The book covers the traditional theological topics as well as basic questions of theological method It seeks to integrate a focus on love throughout While love is regularly canvassed as a dominant theme in Christian thought it has rarely been the focus of Christian theological construction or a constraint on theological formulation The book seeks to suggest chapter by chapter how a given topic relates to the broad theme of love The book is written in a way designed to make it accessible to university students and educated laypersons At the same time it takes positions on controverted scholarly issues and the methodological approach outlined at the beginning will be of interest to academic theologians It Takes More than Love Brittany Salmon,2022-04-05 Embrace the beauty and challenges of transracial adoption Being an adoptive parent is hard enough But when your family is multiracial things get even trickier Parenting transracially doesn t come naturally nor does it just happen with time Love is essential yet by itself love isn t enough Cross cultural parenting also takes intentionality listening learning growing repenting changing then starting all over and doing it again It s hard work And yet when an adoptive family honors the ethnic heritages of their children the whole family as well as the watching world gets to see the beauty of a gloriously creative God In *It Takes More Than Love* Brittany Salmon shares her own family s story of transracial adoption and offers a biblically based guide for others following the same path Brittany recognizes that we live in divided times and there are extra challenges whenever race is part of the conversation But with wise insight and hard won experience she provides guidance about topics such as Maintaining a Gospel perspective throughout the journey Celebrating your child s history and heritage Confronting racism Responding to comments about your family Avoiding pitfalls in adoption Helping your kids feel represented in your home and community No one is promising transracial adoption will be easy least of all Brittany Yet the extra effort is balanced by a beauty that images our eternal destiny Until the day God makes all things new the welcoming an inclusive transracial family can help fulfill Jesus s words on earth as it is in heaven
