Lovers Crossing:

Lovers Crossing James C. Mitchell, 2003-07-17 Featuring Roscoe Brinker border detective Crossing the Swell Tori Holmes, Paul Gleeson, 2011-02-15 That first day is hard The hands begin to cramp drops of blood start oozing through your fingertips In 2003 Tori Holmes a 21 year old from Alberta Canada and Paul Gleeson a 29 year old financial advisor from Limerick Ireland met in Australia when Holmes answered an ad to drive the support vehicle for Gleeson's 5 000 kilometre cycling trek across that country During their first adventure together Gleeson fell hard both off his bike and for the woman driving the car Once Australia was behind them it became clear that crossing a continent together was simply not enough Acting on self assured determination and an ever growing sense of adventure Gleeson and Holmes embraced the dream of rowing a tiny boat across the vastness of the Atlantic Ocean in the 2005 06 Trans Atlantic Race Of course neither of the young adventurers knew how to row so they connected and trained with the only Irishmen ever to have completed the same race Eamonn and Peter Kavanagh In November 2005 after months of training Paul and Tori left the Canary Islands to row 4 800 kilometres across the Atlantic In February 2006 they completed their epic journey after 86 days of huge seas violent storms terrifying capsizes unbearable thirst bizarre hallucinations and sleep deprivation Along the way however during one of the darkest moments in the race inspiration came in the form of an unseen yet completely perceptible presence Old seafaring lore has several theories as to what this might have been but both adventurers are keeping their minds open on it Part inspirational adventure story part travelogue and part romance Crossing the Swell is an honest and intimate portrayal of what it takes to truly engage in the many adventures that life has to offer *In Time for Love* Kessily Lewel, 2018-01-29 Just when her world had fallen apart Katherine stumbles into the Dominant man of her dreams Stern but loving Jack is everything she needs to mend her broken heart He reels her in and curbs her self destructive behaviors while slowly bringing her to her knees She falls in love with the way he takes control of her body but what is the mysterious secret he's keeping from her and will it change how she feels when she learns the truth Warning This love story contains plenty of steam and graphic scenes of power exchange and discipline **Love Pistols, Vol. 11 (Yaoi Manga)** Tarako Kotobuki, 2024-01-23 Norio is ecstatic that Kunimasa is finally back from his business overseas especially since the gossip mags kept running articles about his engagement to foreign princes But his joy at seeing his boyfriend again quickly turns sour when Kunimasa demands to know what Norio likes about him before removing the blind he placed on Norio Now that Norio can finally see Kunimasa as he really is will a happy reunion become the worst night of Norio's life VIZ Media The Mistress Rm. Shanmugam Chettiar, 2024-05-29 The Mistress despite the statements in R M Shanmugam's poetry dissecting love into its stages as attraction obsession and attachment and how it continues to perfection or aborts itself on its way love is torn into pieces in the days of lockdown On the other hand The Mistress which is not essentially a book of love poems but one on love is a balm to the wounded heart when the poet sprinkles his short poems as petals of a fragrant rose Rain is love or love is rain But

Shanmugam feels the rain in love and love in the rain *Brown Clay* Isabel Villarreal, 2021-05-21 *Brown Clay* is a collection of poems written from 2015 to the present day highlighting topics such as identity healing from trauma relationships empowerment and Black liberation Isabel Villarreal is a Black Latina queer American poet and artist based in Portland Oregon Follow her words of empowerment with the intention of Black liberation and representation to enter a dreamscape of self discovery and acceptance In this book Bella explores the flow of cosmic energy in reclaiming freedom of expression as a Black queer woman and aims to understand herself the world around her and her experiences *Brown Clay* explores the idea to be unapologetically Black and embrace the intersectionality of tangled roots in identity **Creativity** Ry Stan

Lai, 2025-11-04 Asia's legendary playwright director Stan Lai has written one of the unique works of our time explaining that the mysterious act of creativity is actually a traceable function of mind and there is a path to learn creativity through unlearning many of our habits picked up in life His special map as well as tailor made exercises lays out an awe inspiring yet practical guide from a lifetime of creative work revered in Asia by artists and business leaders alike Through his extensive experience the greatest living Asian playwright shows us how to cultivate a creative app that works within us Matthieu Ricard says Stan Lai teaches us how to see and how to do Praised by Jack Ma Ang Lee and other luminaries this book is a rewrite by the author of his book that is the most prominent work on creativity in China having sold over 700 000 copies Robert Wilson calls the work foundational support for arts and culture Stan Lai is uniquely qualified to write on creativity because he not only has four decades of creative experience widely acclaimed as the greatest playwright in the Chinese language but is also a dedicated educator Shannon Jackson calls the work A must read from an internationally renowned artist Can creativity be taught Most of the books and training in this area deal with skills for jumpstarting alternative thinking brainstorming and other exercises but do not deal with creativity itself They don't tackle the obvious question What is creativity and how can I get it As one of the world's leading artists Lai explains that the reason we don't think creativity can be taught is that we don't really understand what happens in the mysterious process By slowing down the moment of inspiration Lai lets us see exactly the elements involved in this complex process that lasts only an instant Then he shows you how to prepare for this moment through his unique Map of Creativity This is a whole path of training in creativity which he explains clearly and humour and compassion and tailor made exercises Travis Preston says Stan Lai guides us to the center of the creative moment and the ultimate unity of the spiritual and physical worlds Creativity is a milestone in understanding and learning the creative act Born in America raised in Taiwan with a career spanning the Chinese diaspora Lai believes that we are all born creative but the source to creativity has been blocked by life How to take down the barriers that are blocking the source from us is a task of unlearning many things that have become habits and put us into a so called non creative mode Taking his cue from his Buddhist training that wisdom and method are both needed for success in any endeavour he explains how wisdom has mysteriously vanished from education systems all over Most teaching in creativity focuses on

method which one learns in one's art But we need another type of training more urgently the training for wisdom which can only happen in the domain of life To do you must first be To discover your creativity you must first discover yourself Octavian Saiu says This book is not a manual but a statement of belief an enduring message about how each of us can go beyond our limits Collection of Auction Catalogs on Japanese Art Arthur Baldwin Duel,1922 That'S the Way It Is Molly Stringer,2016-03-23 Memories flood my mind as I reminisce how my journey has been a lifetime of happenings that speak to my soul with lessons that can be applied to our daily lives These memories are conjured up at odd and sometimes inconvenient times As I sat in church last Sunday and the pastor began his message my mind captured a thought of bygone days that spoke loud and clear to my mind and I scrambled in my bag for a pen and paper to put my thoughts down Brother Tim must have thought he had really said something profound and he did but I did not write that down It is my hope that all who read my memories and the lessons that I glean from them will take them to heart and identify with them and feel happiness insight and perhaps laughter as they share my memories and truths **The Road Goes on Forever** Jake Hessman,2010-08 If you had complete freedom from all obligations both personal and financial and thousands of options lying ahead of you how would you decide which one to pursue This is the position Chris Coupland finds himself in on a frigid New Year's morning when his relationship with Hope ends abruptly From loss and confusion through success and reconciliation his choices and the resulting journey may surprise you Avoiding demons and chasing dreams his search for Hope or even just hope will be the catalyst for the change he never knew he needed His challenge now is to decide which path to take and whether to take that path alone or with someone
