Loves Silent Gift:

Love's Silent Song June Masters Bacher, 2011-12-15 When Chris Beth said yes to a struggling country minister's proposal life seemed almost too good to be true Could it last The settlers in their little Oregon community could scarcely afford a resident preacher's salary and Chris Beth's teaching contract would soon end Another separation More adjustments Threatening and captivating adventures reveal the heartaches and joys of real pioneer life wagon caravans of starving people rumbling through frontier territory Fear of Indian uprisings drought plagues of grasshoppers and the faith and commitment of people shouldering heavy burdens in a common bond of love Ever present and strengthening their arms to hold each other up is love's silent song

The Most Powerful Love: the Most Powerful Gift Lucian A. Tower, 2013-08-06 I began writing song lyrics short stories and poetry some 48 years ago While I was in high school during the 60s I had the privilege of meeting Poet Laureate of the United States of America Mr Robert Frost He spoke with me discussing my writings my poetry He told me to keep writing and reading and as I continued I would learn so much more and eventually become a published poet I have continued writing lyrics short stories and poetry I am now 63 years old and I have been published I have always told other poets and writers to keep on writing and learning about the many different styles of the written arts I have also spent 35 years as an entertainer singer song writer and also a musician I have worked with Tom T Hall Billy Jo Spears Red Sovine Bobby Bare and Kitty Wells I have also played with Rhythm Blues Entertainers too The Four Tops The Platters The Sheralles and Visions Mark Farner of Grand Funk Railroad and the survivors of the Lynard Skynard Band We were an International Country Rhythm Blues Band and played together for several years The way I see writing poetry is a likeness to a photograph of a moment a dream a place a thing a memory Life comes at us in many ways sometimes in many different ways at once Its the situations that arise the masks some people wear the way they talk and rub shoulders with everybody These things make up the poetry I write When you sit down and look at life you'll find its much bigger than just us This is poetry lyric writing short stories journalism actually all the arts I have found all things good in writing even when I'm turned down by an editor Its all learning and enjoying what I do I choose a photograph a moment a dream or a situation and I write about it I create a picture with words I live a simple life as a disabled veteran of the U S M C and of the Vietnam War However I am simply me and I don't try and say I'm someone else Who am I Well I'm a human being who loves the arts My message to you all who reads this is KEEP ON WRITING KEEP ON KEEPING ON

Love Gifts Tanure Ojaide, 2013 Love Gifts is a love sequence the poetic rendering of the relationship between the minstrel and his muse over a long period The poet uses the relationship of the two personages to investigate the human condition hence the poems deal with dreams desires frustrations hopes contentment and seeking meaning in life The poetic canvas links the two figures to other relationships and happenings of their time in an all embracing manner In a way minstrel and muse lovers are in these songs sharing a unique relationship with readers as they affirm their humanity and tell the complicated passage they navigate

hourly and daily as members of a particular society The relationship develops from the inexperience of neophytes unsteady in their ways to the stage of adepts who are sure of themselves and their rites The poems are thus a sort of courtship sequence

REMEMBERING YOURSELF K. Akdeniz, The moment you take this book into your hands you are in fact stepping onto the threshold of your own journey Perhaps within you there has long been a question Who am I Or perhaps it was a sense of emptiness a subtle lack a quiet weariness that brought you here The Enneagram does not give a direct answer to this question Rather it offers you mirrors What you see in those mirrors may at times sting at times warm you Yet each time it will draw you a little closer to your Essence In the chapters ahead we will move through concepts stages and stories Yet remember this book speaks less to your mind than to your heart You will not hear its message so much in the words themselves as in the silence they stir within you So let us begin not by knowing but by remembering For this journey will not teach you something new it will simply remind you of what your soul has always known yet quietly forgotten **The Silent**
