Loves Funeral:

Robert Love's Warnings Cornelia H. Dayton, Sharon V. Salinger, 2014-03-04 In colonial America the system of warning out was distinctive to New England a way for a community to regulate those to whom it would extend welfare Robert Love's Warnings animates this nearly forgotten aspect of colonial life richly detailing the moral and legal basis of the practice and the religious and humanistic vision of those who enforced it Historians Cornelia H Dayton and Sharon V Salinger follow one otherwise obscure town clerk Robert Love as he walked through Boston's streets to tell sojourners in His Majesty's Name that they were warned to depart the town in fourteen days This declaration meant not that newcomers literally had to leave but that they could not claim legal settlement or rely on town poor relief Warned youths and adults could reside work marry or buy a house in the city If they became needy their relief was paid for by the province treasurer Warning thus functioned as a registration system encouraging the flow of labor and protecting town coffers Between 1765 and 1774 Robert Love warned four thousand itinerants including youthful migrant workers demobilized British soldiers recently exiled Acadians and women following the redcoats who occupied Boston in 1768 Appointed warner at age sixty eight owing to his unusual capacity for remembering faces Love kept meticulous records of the sojourners he spoke to including where they lodged and whether they were lame ragged drunk impudent homeless or begging Through these documents Dayton and Salinger reconstruct the biographies of travelers exploring why so many people were on the move throughout the British Atlantic and why they came to Boston With a fresh interpretation of the role that warning played in Boston's civic structure and street life Robert Love's Warnings reveals the complex legal social and political landscape of New England in the decade before the Revolution

Prisoner of Love Eugene Fagnano, 2013-01-16 This story begins in 1945 with how I first met My Love She was only 15 and I was 17 years old It's a story about how we met and how a song had a profound effect on our lives It is also about how our undying love for each other survived the many obstacles we endured in our early years We had an unusual start some touching moments and a very emotional and somewhat surprising ending These memories are too precious not to be shared

The Silence of Love Donald S. Slote, 2024-11-05 After decades of Geopolitical and Economic consulting time passed and the world became a smaller place Don had the dubious honor to meet the so called Powerful and Elite the Poor and Destitute the Leaders and the Followers Educated in the field of psychology he and his partners opted for a new direction and started funding Universities labs and private labs around the world The real thinkers and problem solvers Academics that you will never hear about The thought not the social or monetary accolade pursuit pure thought just the knowledge And what the Author found out was that the 1% of the world is boring and impetuous On the other hand the remaining 99% have stories to tell If you listen you can hear truly amazing stories So after a half century and tired of running companies from behind the scenes leading to many health issues the author felt the stories of others he has had the privilege of listening to would best be served written for all The Immortal word the written word as it were stories etched in time for all The businesses will be

run by others when he is gone but the stories and knowledge will be lost with him or never told if not written down **The Lovers' Dictionary** J.
