Love Matters More Jared Byas, 2020-09-08 For years Christians have argued debated and fought one another while speaking the truth in love yet we are no closer to the grace filled life Jesus modeled Biblical scholar and popular podcast host of The Bible for Normal People Jared Byas casts a new vision for the Christian life that s built not on certainty but on the risk of love A biblically based Christian life is not grounded in having all the answers but in a living relationship This ultimately shifts our focus from collecting the right answers to loving others deeply and authentically With stories and insights drawn from his years as a pastor professor and podcast host Jared Byas calls us back to the heart of the Bible that truth is only true when it s lived out in love In a refreshing voice that s both witty and profoundly revelatory Jared unpacks the concept of truth its meaning and why we so often fight over it He makes a compelling case for how what we believe is less important than how we believe it and that more than anything else telling the truth in love is about following Jesus For anyone who has ever felt forced to choose between truth and love acceptance and rightness this book offers a path forward beyond truth wars and legalistic religion to a love that matters more

Parables of Love from Mom Chamisa Loraine

Howard,2022-06-10 When my children were small and my husband in college I continued to recreate the stories my parents told me as a child about animals having personalities and their teaching abilities I used the stories to teach my children moral principles through fables They knew if they went to bed by 8 00 p m they would get another chapter of some favorite pretend stories spun out night after night chapter by chapter Many of these stories led to daytime adventures as the kids lifted up flat rocks in search of Harvey Rabbit s magic hole with the candy factory They made horn toads into pets and few a mouse in box fitted with a running wheel In 1989 I decided to write down some of those favorite stories to give my now grown children as a Christmas present My artist sister illustrated these stories for me The compilation of stories has been sitting in my cedar chest for 30 years until recently when I had them re printed for my now growing family of grandchildren and great grandchildren God bless each and every child out there that they may come to know in their head and heart that we are all God s angels placed here on earth with extraordinary abilities in order to love and bless each other s lives **Catherin &**

Alexander Love on the Internet T.R. Espinola,2013 Catherin Alexander Love on the Internet is about two romantically driven people that have been for the greatest part of their lives unlucky in love They see the romance in the rose opening its bloom for the world to see the beauty held within as well as in the ability for two people with romantic hearts to find each other enjoying the poetic beauty of the world around them However each feels disappointed in the fact that they have not found the person that brings love s star into focus Catherin a hopeful romantic is a woman that craves romance enjoys being a woman and loves being feminine She envisions herself in romantic scenarios with a man that can hold her heart in his hands capable of loving her for the rest of her life On the other hand Alexander is not only a man of action an individual that has always enjoyed adventure never missing an opportunity to feel the adrenaline run through his veins but also a true romantic and a Southern gentleman He believes strength is best found in the way in which a man loves the woman in his life and in the way he lives his life as an example for others to follow After experiencing another bad date he decides to follow the advice of a friend and join an Internet dating site Catherin experiencing a similar situation over six thousand miles away does the same allowing them both to find a love that bridges two completely different worlds uniting their hearts forever together
