intellectuality interacts with sensuality questioning the validity of each and as Chaitra moves to Magh a transformation takes place As Harsha Dehejia weaves this romantic story where meetings by the Parijataka and conversations underneath the Champa are not only moments of shringara but introspections on the meaning of life we hear and feel the sensuality of love as it merges seamlessly with the intellectuality of a philosophic discourse In this heart throbbing romantic relationship there is the spiritual quest of ultimate reality along with the pleasures of the sound of the wind and the song of a bird Metaphysical thoughts and tender feelings evocative colours and resonant sounds intoxicating aromas and patterned textures myths and metaphors intermingle in the hushed conversations of two people in love Upwords - A Flight of Poetry Paul Ray,2009-10
