Compelled to Act Sarah Carter, Nanci Langford, 2020-10-02 Compelled to Act showcases fresh historical perspectives on the diversity of women s contributions to social and political change in prairie Canada in the twentieth century including but looking beyond the era of suffrage activism In our current time of revitalized activism against racism colonialism violence and misogyny this volume reminds us of the myriad ways women have challenged and confronted injustices and inequalities The women and their activities shared in Compelled to Act are diverse in time place and purpose but there are some common threads In their attempts to correct wrongs achieve just solutions and create change women experienced multiple sites of resistance both formal and informal The acts of speaking out of organizing of picketing and protesting were characterized as unnatural for women as violations of gender and societal norms and as dangerous to the state and to family stability Still as these accounts demonstrate prairie women felt compelled to respond to women s needs to challenges to family security both health and economic and to the need for community They reacted with the resources at hand and beyond to support effective action joining the ranks of women all over the world seeking political and social agency to create a society more responsive to the needs of women and their children

Cosmopolitan Lives on the Cusp of Empire Jane Haggis, Clare Midgley, Margaret Allen, Fiona Paisley, 2017-05-23 This book looks back to the period 1860 to 1950 in order to grasp how alternative visions of amity and co existence were forged between people of faith both within and resistant to imperial contact zones It argues that networks of faith and friendship played a vital role in forging new vocabularies of cosmopolitanism that presaged the post imperial world of the 1950s In focussing on the diverse cosmopolitanisms articulated within liberal transnational networks of faith it is not intended to reduce or ignore the centrality of racisms and especially hegemonic whiteness in underpinning the spaces and subjectivities that these networks formed within and through Rather the book explores how new forms of cosmopolitanism could be

articulated despite the awkward complicities and liminalities inhabited by individuals and characteristic of cosmopolitan thought zones

Skin Deep Liz Conor, 2016 *Skin Deep* looks at the preoccupations of European Australians in their encounters with Aboriginal women and the tropes types and perceptions that seeped into everyday settler colonial thinking Early erroneous and uninformed accounts of Aboriginal women and culture were repeated throughout various print forms and imagery both in Australia and in Europe with names dates and locations erased so that individual women came to be anonymized as gins and lubras The book identifies and traces the various tropes used to typecast Aboriginal women contributing to their lasting hold on the colonial imagination even after conflicting records emerged The colonial archive itself consisting largely of accounts by white men is critiqued in the book Construction of Aboriginal women's gender and sexuality was a form of colonial control and *Skin Deep* shows how the industrialization of print was critical to this control emerging as it did alongside colonial expansion For nearly all settlers typecasting Aboriginal women through name calling and repetition of tropes sufficed to evoke an understanding that was surface based and half knowing only skin deep Impressively researched written organized and presented highly recommended for community and academic library Aboriginal Studies Women's Studies Australian Studies and Colonial History reference collections Midwest Book Review MBR Bookwatch October 2016 Helen's Bookshelf Subject Cultural History Aboriginal Studies Women's Studies Australian Studies Colonial Studies
