Resistance Ashley Abercrombie,2021-08-31 When it comes to disagreement we are in perpetual fight or flight mode Rather than respond with a posture of compassion and connection we are encouraged to resist others personally and politically Either we engage in fruitless arguments with people who refuse to see things our way or we retreat to our echo chambers where everyone agrees with us But the real resistance the kind that helps us grow is learning to love others especially those who disagree with us If you re tired of seeing your real life and online communities in turmoil and you long to be an agent of peace understanding and reconciliation it s time to join a new kind of resistance movement one that pushes us toward personal transformation Grounded in Scripture and illustrated with compelling true stories this new book from Ashley Abercrombie will help you gain the confidence to communicate and connect with others stop avoiding necessary tension and resolve your internal and external conflicts When we make love our habitual reaction to the conflicts and divisions in our lives we ll find that we can stay true to our convictions without sacrificing our relationships *Amazing Love! Be Amor Vilas Boas,Rogério Vilas Boas,2025-07-17 I never imagined I would write a book For most of my life I lived far from
God far from love and even farther from myself I carried wounds that no one could see and wore a name I barely recognized I
was surrounded by people but lived in silence Yet one person never gave up on me My grandmother Her name was Francisca
Gomes Vilas Boas but to me she was simply Chiquinha This book is my way of letting her keep living Her voice her care her
small daily acts of love are now printed in these pages She didn t preach She served And in her quiet routine of service she
taught me something that not even years of suffering could erase Through her I met the Love that would one day save me
from who I used to be I remember a moment in the garden She was pruning one of her plants gently removing its dead parts
and she looked at me with a peaceful expression Then she said something that changed everything inside me She said Son a
day lived without making someone s day better or easier is a day lost We lose the day we don t show love to someone And if
God is love then that was a day without God If God is life then a day we spend without making someone s day better through
our love is a day without life a day we spend dead I cried that day I cried for the time I had wasted For all the days I had lived
without being alive That moment was not just a lesson It was a resurrection From that day on I made a decision To let Love
live through me To stop resisting To stop expecting And to start becoming This book is not about religion It is about our
nature It is about remembering that we are living seeds of something much greater and that Love is not an emotion we feel
but a being we become I wrote this book listening to soft piano music Each word came slowly in the rhythm of silence and
presence I no longer live for applause I live to offer what I have My writing is not mine My hands belong to Love If you carry
sorrow if you have lost direction if you feel disconnected from yourself or others I hope these words help you remember what
is already inside you I hope you feel my grandmother s embrace I hope you remember that there is still time to love Because
living without Love is not living And loving even quietly even without recognition is the greatest thing you can ever become
This is not a book for your mind It is a book for the part of you that is still alive under all the weight It is a book for the part of

you that still believes in light Let it be a small light Let it be just enough
