Gregory of Nazianzus on the Trinity and the Knowledge of God Christopher A. Beeley, 2008-06-27 Gregory of Nazianzus a 4th century bishop of Constantinople receives relatively little attention from modern Western scholars yet he is one of the most influential theologians in the history of Christian doctrine As an advocate for the conceptual understanding of the Trinity Gregory set precedents for the way his fellow and future Christians would perceive and worship God Christopher A Beeley presents the first comprehensive study in modern Western scholarship of Gregory's doctrine of the Trinity in the full range of his theological and practical vision of the Christian life

The Pastor Theologian Gerald Hiestand, Todd A. Wilson, 2015-06-23 Pastoral ministry today is often ruled by an emphasis on short sighted goals pragmatic results and shallow thinking Unfortunately those in the academy tend to have the opposite problem failing to connect theological study to the pressing issues facing the church today Contemporary evangelicalism has lost sight of the inherent connection between pastoral leadership and theology This results in

theologically anemic churches and ecclesial anemic theologies Todd Wilson and Gerald Hiestand contend that among a younger generation of evangelical pastors and theologians there is a growing appreciation for the native connection between theology and pastoral ministry At the heart of this recovery of a theological vision for ministry is the re emergence of the role of the pastor theologian The Pastor Theologian presents a taxonomy of the pastor theologian and shows how individual pastors given their unique calling and gift set can best embody this age old vocation in the 21st century They present three models that combine theological study and practical ministry to the church The Local Theologian a pastor theologian who ably services the theological needs of a local congregation The Popular Theologian a pastor theologian who writes theology to a wider lay audience The Ecclesial Theologian a pastor theologian who writes theology to other theologians and scholars Raising the banner for the pastor as theologian this book invites the emerging generation of theologians and pastors to reimagine the pastoral vocation along theological lines and to identify with one of the above models of the pastor theologian

Colin Gunton's Trinitarian Theology of Culture Andrew Picard, 2024-06-27 Whilst upholding some of the criticisms of Colin Gunton's work this incisive book argues that there is a Hauptbriefe in Gunton reception that assumes his early classic works The One the Three and the Many and The Promise of Trinitarian Theology 1st ed are definitive of his project and fail to engage adequately with the progressions in Gunton's later thought Instead this book offers a fresh reading of Gunton by giving greater prominence to his later writings which are centred in the mediation of the Son and the Spirit in creation Andrew Picard argues that Gunton's trinitarian theology of culture emerges from his later trinitarian theology of mediation creation Christology pneumatology and ecclesiology Exploring these doctrinal foci enables an understanding of Gunton's account of faithful human culture as embodied worship a living sacrifice of praise which contributes to the divine redemption and perfection of creation It is the church's particular calling to embody such praise through its visible life in community The study concludes by intersecting Gunton's theology with the social sciences to critique ableism and consider the politics of the church's belonging in community **Ecclesiology in Reformed Perspective** Billy Kristanto, 2022-07-11

This ecclesiological study argues that Reformed ecclesiology cannot be separated from Reformed Christology The christological foundation of Reformed doctrine of the church will be examined as Reformed theology portrays the important ecclesiological topics in the light of its christological thoughts This book offers potential for the future of the church with her pastoral concern It will serve as a stimulus against the erroneous paths of ecclesiocentrism on the one hand and church forgetfulness on the other Even though the chapters of the book deal with classical topics in ecclesiology the work will try to analyze and answer contemporary challenges the church faces This book is not a systematic treatment in the sense of an examination of the whole developed in terms of one principle that is Christology Rather the concern of this book is to expound the Holy Scripture realistically and to engage with the contemporary church in her concrete existence The study will weave together insights from biblical historical confessional philosophical and contemporary studies in a fruitful way

The Only Sacrament Left to Us Thomas Christian Currie, 2016-06-30 Questions of ecclesiology abound and Karl Barth has been regarded as an unhelpful conversation partner and guide for those who care about ecclesiology and the place of the church in the academic pursuit of theology *The Only Sacrament Left to Us* recovers Barth's doctrine of the threefold Word of God and shows that it is at the heart of his ecclesiological commitments and that he offers a distinct and robust doctrine of the church worthy to be carried forward into the twenty first century debates about the church's place in God's economy Thomas Christian Currie explores the central role of the threefold Word of God in Barth's theology of the church explains its place in Barth's later doctrine of reconciliation and seeks to engage the field of Barth studies with contemporary ecclesiological questions

Jesus in the Trinity Lincoln Harvey, 2020-01-30 Robert W Jenson 1930-2017 is America's most important theologian He thinks Jesus of Nazareth is always and for ever one of the Trinity Mary's boy and Pilate's victim is the Father's eternal Son so there has never been an unfleshed Word The God of the Gospel is much stranger than we have imagined In *Jesus in the Trinity* Lincoln Harvey offers a penetrating guide into Jenson's remarkable proposal Demonstrating Jenson's signature moves as well as his fundamental reworking of the dogmatic tradition Harvey shows how an evangelized metaphysics can make sense of the identity of Jesus Christ With time space causation and God's act of creation utterly reimagined through the course of these pages reality will look very different in light of Jenson's startling theology

Ethical Approaches to Preaching John S. McClure, 2021-02-23 Different ethical situations require different homiletical responses John McClure organizes recent literature on ethics and preaching into four ethical approaches Does your situation require public moral leadership Then a communicative ethic is best Does your situation require the development of countercultural moral character Then a witness ethic is best Does your situation require ethical consciousness raising and organizing for social justice Then a liberationist ethic is best Does your situation require genuine moral conversation and the discernment of shared commitments in spite of our differences Then a hospitality ethic is best Each ethical approach is briefly and carefully explored correlated with appropriate contexts and situations and demonstrated with model sermons The result is a useful handbook for quickly discerning what ethical approach is needed how to preach that approach and what to expect as a result

Gregory of Nazianzus' Soteriological Pneumatology Oliver B. Langworthy, 2019-12-16 Oliver B Langworthy examines the interaction of soteriology and pneumatology in Gregory of Nazianzus' thought He shows that this interaction Gregory's soteriological pneumatology is a coherent significant but under examined area of Gregory's thought His study engages in a chronological treatment of a wide range of Gregory's prose and poetic works This allows for the particular character of Gregory's soteriological pneumatology to emerge notably his emphasis on the experience of the Spirit The result is a more complete and nuanced picture of Gregory's theological investment in a divine and truly holy Spirit that is operative in the salvation of the believer

Remembering Theologians - Doing Theology Dirkie Smit, 2013-10-01 Theology for me has always been about friendship whether with students postgraduate students colleagues ministers ecumenical believers from

different traditions theologians from abroad or simply books and publications articles and sources This volume is a witness to some of these friends and some of these conversation partners dead and alive near and far like minded or from totally different backgrounds and persuasions I have met over several decades and with whom I have been privileged to engage doing theology Dirk J Smit
