Bellows, 2018-02-21 Tracing the intersecting lives of a Confederate plantation owner and a free black Union soldier Barbara L Bellows *Two Charlestonians at War* offers a poignant allegory of the fraught interdependent relationship between wartime enemies in the Civil War South Through the eyes of these very different soldiers Bellows brings a remarkable new perspective to the oft told saga of the Civil War Recounted in alternating chapters the lives of Charleston natives born a mile apart Captain Thomas Pinckney and Sergeant Joseph Humphries Barquet illuminate one another's motives for joining the war as well as the experiences that shaped their worldviews Pinckney a rice planter and scion of one of America's founding families joined the Confederacy in hope of reclaiming an idealized agrarian past and Barquet a free man of color and brick mason fought with the Union to claim his rights as an American citizen Their circumstances set the two men on seemingly divergent paths that nonetheless crossed on the embattled coast of South Carolina Born free in 1823 Barquet grew up among Charleston's tight knit community of the colored elite During his twenties he joined the northward exodus of free blacks leaving the city and began his nomadic career as a tireless campaigner for black rights and abolition In 1863 at age forty he enlisted in the 54th Massachusetts Volunteer Infantry the renowned Glory regiment of northern black men His varied challenges and struggles

including his later frustrated attempts to play a role in postwar Republican politics in Illinois provide a panoramic view of the free black experience in nineteenth century America In contrast to the questing Barquet Thomas Pinckney remained deeply connected to the rice fields and maritime forests of South Carolina He greeted the arrival of war by establishing a home guard to protect his family s Santee River plantations that would later integrate into the 4th South Carolina Cavalry After the war Pinckney distanced himself from the racist violence of Reconstruction politics and focused on the daunting task of restoring his ruined plantations with newly freed laborers The two Charlestonians chance encounter on Morris Island where in 1864 Sergeant Barquet stood guard over the captured Captain Pinckney inspired Bellows compelling narrative Her extensive research adds rich detail to our knowledge of the dynamics between whites and free blacks during this tumultuous era Two Charlestonians at War gives readers an intimate depiction of the ideological distance that might separate American citizens even as their shared history unites them

The Rise of Charleston W. Thomas McQueeney, 2017-05-08 Since its 1670 founding Charleston has experienced the devastation of wars economic hardships and natural disasters And yet Charlestonians and their city have prevailed through it all It is in this current generational surge that the Holy City has experienced meteoric success and taken its place on the world stage This thematic weave of essays drawn from interviews explores those essential personalities who have lifted Charleston to its new perch as a must see destination one that is known as the most welcoming and the most recommended in America Join engaging local author W Thomas McQueeney in this updated edition as he relays stories of the 1950s 60s and 70s through the eyes of those who have witnessed Charleston s evolution to become the charming city it is today
