Loyal Disloyalty:

Loyalty and Disloyalty David Knowles, 2013-10-07 Imagine yourself transported to live with an early human hunter gatherer group of 100 or so individuals back about 250 000 years ago Think of them as similar to one of the few forager societies still in existence today As a basis for this exercise it will do for now Can you see any reason why human actions and emotional reactions to those around them in the group were likely to be fundamentally different then to our relationships now No me neither and so you and I should fit in there pretty well The theme of this book is simple enough I hope back then the Group and Loyalty to it was our whole world was everything because without it you would starve to death or be killed by predators Loyalty to the Group was everything and Disloyalty was a crime the only crime My proposition is that that same Disloyalty projected forward into the enormous groups called countries we live in today must still be the basis of most if not all crimes Therefore Loyalty and Disloyalty must also lie at the core of human morality The same feelings now as then the same reaction in you as in me we stretch out the same accusing finger you and I we point and we say that is wrong And despite all the arguments we humans have over right and wrong there is a point a split second as it were in those disagreements when we all point at the same thing at the same derivative of Disloyalty I put it to you that this same thing is nothing other than the basis of human morality all of it in every society everywhere *Loyalty and Disloyalty* Dag Heward-Mills, 2006 Though a primary requirement of God for leaders very little has been written on this subject In this book Dag Heward Mills outlines very important principles with the intention of increasing the stability of churches So relevant and practical is the content of this book that it has become an indispensable tool for many church leaders A Leader's Manual on Loyalty and Disloyalty Dag Heward-Mills, 2016-06 Proven Principles and strategies thoroughly discussed and the underlying logic behind them made transparent A valuable resource for any minister An excellent reference and practical guide An authoritative handbook to establish churches Invaluable tips for training laity to perform priestly functions Helpful hints on how to prevent church splits *The Rotarian*, 1925-05 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut Jr have written for the magazine Loyalty Bob Sorge, 2004 This book sounds a bold call for loyalty to God and to God's Davids God's Davids are leaders male and female who are safest to follow because of their unwavering passion to be intimate with Christ God is turning the hearts of fathers to the children and giving the children a heart of loyalty to the fathers Knowing the power of loyalty to produce Kingdom blessing at every level Satan has done everything in his power to give this subject a bad reputation But today's generation isn't buying it anymore Now more than ever the bride of Christ is giving her heart with intense loyalty to her Beloved and preparing eagerly for His return Get ready this book could rock your world
