The films of Luc Besson Susan Hayward, Philip Powrie, 2019-01-25 This fascinating collection looks at the career and films of Luc Besson one of the most acclaimed figures in international cinema Contributions have been assembled from all over the world and their different approaches reflect this geographical diversity Films covered range from Besson's first feature *La Dernier Combat* to the international blockbusters *The Fifth Element* and *Joan of Arc* The essays range from looking at costume design to musical scores and the final chapter offers a transcript of a previously unpublished interview with the man himself He is the only French director to have crossed over successfully during the 1990s into the blockbuster spectacular we associate with Hollywood cinema and yet this is only the second book in English on this major international director The films of Luc Besson will make fascinating reading for anyone interested in the career and films of the master of spectacle

Luc Besson Susan Hayward, 1998-03-15 One of the hottest international properties to come out of the new wave of French filmmakers in the 1980s Luc Besson is a director with a simple mission and a dazzling visual style One of the most respected names in French film studies Susan Hayward sketches Besson's filmmaking career and processes to date placing the films within their socio historical and political contexts She investigates the interface between technology and the body along with the environments in which the violent interactions between the two get played out The absence of family and the demise of community are also explored with theoretical sophistication Besson's films represent the conflicts and tensions of a post modern age and are perceived as signs of their time

Jason Statham Len Brown,2011-02-17 Hollywood s favourite action hero After an exhilarating ten years Jason Statham has finally confirmed his place in the Hollywood elite And starring alongside his childhood heroes Stallone Schwarzenegger Willis and Jet Li it is hard to imagine him anywhere else Born in south London Jason Statham has always been an action man As a boy Jason chose not to follow in the footsteps of his parents and instead cultivated his thirst for adrenaline in athletics and diving a skill that took him to the World Championships in 1992 But it was on the athlectics track that he was first discovered by a modelling scout for Tommy Hilfiger and French Connection which eventually led Jason to the then fledgling director Guy Ritchie A string of Hollywood blockbusters Lock Stock Revolver Snatch followed But perhaps his best known role came in 2002 when Jason was cast as Frank Martin in The Transporter Statham s background in martial arts defies the norm of the action hero as he performs his own scenes and stunts in some of Hollywood s most death defying action scenes A huge box office hit The Transporter spawned two sequels and has earned the reputation of a cult classic Len Brown s biography is an insightful comprehensive and gripping account of Britain s all action hero

Nikita Susan Hayward,2010-02-28 Nikita 1990 is the story of a nineteen year old junkie Nikita Anne Parillaud who is given a second chance in life through being trained to be and becoming a skilled assassin for the State Nikita is a cult classic directed by Luc Besson with Thierry Arbogast as director of photography in his hallmark powerful style The film was an international hit which spawned a TV series and a Hollywood remake Susan Hayward develops here a fresh and provocative way of understanding Nikita s plot structure as a neo baroque symphony She goes in depth into key sequences of the film examines its reception as a popular film by audiences and critics and looks at The Assassin the Hollywood remake of Nikita This is a wonderfully exciting book on an underrated film It also shows that the woman placed at the centre of a film noir can as Susan Hayward points out for once win or at least get away with it

Movie Lists Paul Simpson,2011-05-26 Action African greats alcohol Robert Aldrich aliens Woody Allen Pedro Almodovar Robert Altman animated anime apocalypses Argentina art Asia minor avant garde And that s just A for you A taste of this fabulously quirky and enjoyable book which is both a celebration of movies and movie trivia and a handy entertaining guide to films that we know you will enjoy It is fantastically functional The lists are well conceived and easy to understand mostly assembled by genre actor director theme or country of origin and the reviews are witty and informative Oddly enough most movie guides are not full of recommendations But Movie Lists is in spades leaving readers in no doubt that the films reviewed are the business Oh and you don t have to watch them all before you die There is no premise of death in this book You just need to get down to the local Blockbusters or flick your remote to Movies on Demand Only the popcorn is not supplied

French B Movies David A. Pettersen,2023-03-07 In the impoverished outskirts of French cities known as the banlieues minority communities are

turning to American culture history and theory to make their own voices cultures and histories visible Filmmakers have followed suit turning to Hollywood genre conventions to challenge notions of identity belonging and marginalization in mainstream French film French B Movies proposes that French banlieue films far from being a fringe genre offer a privileged site from which to understand the current state of the French film industry in an age of globalization This gritty style appears in popular arthouse films such as Mathieu Kassovitz's *La Haine* and *Bande de filles* *Girlhood* along with the major Netflix hit series *Lupin* David Pettersen traces how in these works and others directors fuse features of banlieue cinema with genre formulas associated with both Hollywood and Black cultural models as well as how transnational genre hybridizations such as B movies have become part of the ecosystem of the French film industry By combining film analysis cultural history critical theory and industry studies French B Movies reveals how featuring banlieues is as much about trying to imagine new identities and production models for French cinema as it is about representation
