**Banpaia** A.J. Llewellyn, D. J. Manly, 2020-10-16 Chinatown Los Angeles Young men are disappearing from their beds sometimes vanishing as they cross the street with friends The few witnesses who actually report a strange mystical creature soon suffer memory lapses and die Yet the young men all return one by one They seem the same but they are different Strange things are happening all over Chinatown as if an odd mist enshrouds it None of the men who disappeared can say what happened to them Late at night however this legion of men in love and lust with the one they call Banpaia reach out for one another in the frenzy of their need For Feng Li a suicidal young man who feels he was saved by the legendary centuries old Japanese vampire yearns for only him For Feng there can be only one to claim his body and his heart

**Acrobat** Gonzalo Lira, 2003-05-18 They are young tough and resourceful and they have been targeted for assassination by the very agency that made them They are the CIA work group known as Acrobat and they are on the run Duncan Idaho the Langley roadrunner who skirts the line between brilliantly daring and foolishly reckless Monika Summers a ray of all American sunshine the utility player who can do it all and does it exceptionally well Tobey Jansen the nerdy financial genius trapped in the body of a punk rocking anarchist Ljubica Greene elegant and beautiful the shopper who can score high caliber firearms or bogus walking papers as easily as shopping at Neiman Marcus Russell Orr the six foot four strategic planner who knows how to keep his options open What did Acrobat see in their time at Langley What secrets did they uncover How long will they last on the run And most important of all when will they realize that one of their own has betrayed them From a blazing firefight in the bowels of Times Square to a whisper campaign in the quiet hallways of Langley from the political minefield of a White House briefing room to a nightmarish chase down a lonely country road Acrobat redefines the espionage thriller

**Dead Lucky** Lincoln Hall, 2008-05-15 Lincoln Hall s breathtaking account of surviving a night in Everest s death zone Lincoln Hall likes to say that on the evening of May 25 2006 he died on Everest Indeed Hall attempted to climb the mountain during a deadly season in which eleven people perished And he was in fact pronounced dead after collapsing from altitude sickness Two Sherpas spent hours trying to revive him but as darkness fell word came via radio from the expedition s leader that they should descend in order to save

themselves The news of Hall s death traveled rapidly from mountaineering websites to news media around the world and ultimately to his family back in Australia Early the next morning however an American guide climbing with two clients and a Sherpa was startled to find Hall sitting cross legged on a sharp crest of the summit ridge In this page turning account of survival against all odds Hall chronicles in fascinating detail the days and nights that led up to his fateful night in Mount Everest s death zone His story is all the more miraculous given his climbing history Hall had been part of Australia s first attempt to reach the top of Everest in 1984 but had not done any major climbing for many years having set aside his passion in order to support his family While others in the team achieved their dream during this 1984 expedition Hall was forced to turn back due to illness Thus his triumph in reaching the summit at the age of fifty is a story unto itself So too is Hall s description of his family s experience back in Australia as sudden grief turned to relief and joy in a matter of hours Rarely has there been such a thrilling narrative of one man s encounter with the world s tallest mountain Nicky's Secret Vin
