Dorothy Schneider, Carl J. Schneider

Lucretia Rudolph Garfield:

Lucretia Rudolph Garfield Ann Heinrichs,1998 Presents a biography of Lucretia Rudolph Garfield Lucretia John Shaw,2004 Fame did not interest Lucretia Garfield wife of our twentieth President In 1882 and again in 1887 she was invited to have her biography included in books about distinguished or famous American women She refused in both cases stating that she was not distinguished The story of James A Garfield s spectacular rise to the presidency of the United States has been told many times But the forceful influence of his wife Lucretia has received little attention So successful was she in staying out of the public eye that her name gradually vanished from sight This new book explores the life of this accomplished and fascinating woman *Lucretia Garfield* Dorothy Schneider,2015 Lucretia Rudolph Garfield s religion taught her to live a moral life and her times taught her that as a woman she was the moral lynchpin of her family responsible for their good conduct **James A. Garfield Family Collection** James Abram Garfield,Garfield family,Lucretia Rudolph Garfield,18?? Family members represented include his parents Abraham also called Abram Garfield and Eliza Ballou Garfield of Orange Ohio some of his children Harry Augustus Garfield James Rudolph Garfield Mary Mollie Garfield Stanley Brown and Abram Garfield and other relatives including Lucretia Garfield Comer Edith Garfield Edward W Garfield Eleanor Garfield Helen Newell Garfield Rudolph Hills Garfield Louise Garfield Muranko Arabella Mason Rudolph James Hollycroft Rudolph and Katharine Stanley Brown **First Ladies** Dorothy Schneider,Carl J. Schneider,2010 A biographical dictionary profiling first ladies of the United States from Martha Washington to Michelle Obama **The International Blue Book** ,1911

The International Who's who H. L. Motter,1911 Rating The First Ladies John B. Roberts,John B. B. Roberts,2004 Examines the parts played by the wives and other relatives who filled the role of first lady and describes how they profoundly impacted each president s administration and political fate *America's Royalty* Sanford Kanter,Sandra Quinn-Musgrove,1995-08-30 A comprehensive work about the first families children this is the only book available that treats these privileged few at any depth The reading is enjoyable answering questions such as What happened to and Did this president have any children The book also is informative glimpsing the lives of a few who have been shoved into the limelight at a certain period and for generations to come Historically the work functions sometimes as a period piece sometimes as a human interest piece but it always serves to help bring to life our first families Included where possible and or appropriate are the vital statistics of birth marriage education development profession and death The book is a good read but it also serves an historical function Aside from the fact that the book is informative reading about the lives of the children of America s chief executives is like peering into a moment of the American equivalent of royalty Observing the exciting painful humdrum and heartfelt experiences of both the children and the families may also serve to increase the reader s understanding of the real lives of these emulated families that they too lead lives that are similar to every person s except that they are in the historical spotlight After all leaders such as Lincoln and Kennedy were forced to continue governing the

affairs of state as their sons died America's First Ladies Nancy Hendricks, 2015-10-13 Meet the First Ladies of the United States sometimes inspiring sometimes tragic always fascinating women who though often unsung helped hold the nation together in its infancy and advance it as a world power More than simply serving as America's hostesses many of the nation's First Ladies played vital roles in shaping their husband's presidency and serving as political activists in their own right From Martha Washington to Michelle Obama their inspiring stories come alive in this handsomely illustrated encyclopedia Within its pages the First Ladies are revealed as human beings who one day awoke to find the eyes of the world upon them The book differs from others by showcasing America's First Ladies in their own words as flesh and blood individuals Readers will discover which First Lady held off Napoleon's army with a toy sword why women had to be pale frail and ailing and which First Lady was called Sunshine and which was Hellcat Each entry includes a biographical essay that details the life of the woman and places her within the political social and cultural context of her time Each also offers a related primary document that helps define the First Lady's legacy as well as a short bibliography for further information Written in a lively compelling style this highly readable volume is perfect for junior high high school and college students as well as the general public
