Lucy Little Devil:

The Z'astra Jean Knight Pace, Jacob Kennedy, 2025-01-14 Finding an ancient alien relic might save the world but will it tear Henry and Lucy's friendship apart Henry is on his last nerve The Appalachian Trail isn't exactly a picnic at least not when you're trying to hide and survive Lucy is grumpy all the time Keikiki won't even let him try to get better with the language and Henry's stuck doing the same exercises day in and day out When what he really needs to do is master the language and find the Guide undoing the disaster he set in motion at the White House Otherwise Earth is toast You know no biggie Which means that it's not at all Henry's fault when one night he sneaks out to practice the language And possibly awakens an ancient power within an even more ancient mountain But hey it's cool He's the most powerful kid on earth right And he knows if he just practices hard enough long enough desperately enough that everything he's done wrong will be made right Never mind if he ignores his best friend or puts his mentor in danger Never mind if he pushes away the people he values even if it hurts him more than he dares to admit After all if he can just save the world it will be worth it in the end Won't it Join Henry and Lucy in the second book of The Determiner series *The Heiress In His Bed* Tamara Lejeune, 2009-07-07 In polite society the rules forbid young ladies to pursue their own passions and pleasures But some rules are made to be broken A Desperate Charade To escape an unwanted marriage Lady Viola Gambol flees to London and poses as a maid in a boarding house Little does she know that the boarding house is actually a brothel until the owner auctions Viola off to the highest bidder Viola vows to fight off the auction's winner Julian Devize but her immense attraction to the scoundrel is making that very hard to do A Seductive Encounter Julian was hired to find missing heiress Viola Gambol but first he must rescue his brother from a house of ill repute When Julian sees the alluring maid being sold like a slave he impulsively makes a bid to protect her honor Julian has no idea that the woman he saved is the one he's been hired to find But his honorable intentions take a scandalous turn as temptation leads to unrelenting pleasure *Lucy's Eggs* Rick Henry, 2006-05-11 Lucy's Eggs Short Stories and a Novella is a collection of four stories and a novella all set in Homer a town in upstate New York that is both particular and universal in its representation of small town life Rick Henry's vivid characters at once intimately familiar and wholly unique are combined with masterful narration to deliver a series of stories the reader will not soon forget Set in the late 1800s and early 1900s the title story chronicles the life of Lucy Delano as she bears witness to the dramatic changes that her small town confronts Fiercely independent and deeply connected to the land Lucy endures the loss of her parents desertion by her husband and alienation by the townsfolk Through Lucy's blend of strength and vulnerability Henry powerfully explores issues of individuality loneliness and grief In The Telephone Girl a young man struggles to act on his emotions for Mimi the telephone girl of the title His paralysis na vet and repression are deftly treated with humor and poignancy Cardinal Wars details the competition between two neighbors to attract birds specifically colorful cardinals to their backyards For both women the birds represent the desire for companionship and survival a bright warm blast of color

during the long bleak winter Filled with energy and life each story depicts vivid images of rural life and the deep but subtle range of human emotion Henry s lyrical often elegiac prose is evocative of Thornton Wilder and William Kennedy This book will appeal to the general reader but especially to those with an interest in regional literature Woman's World ,1926
