Lucille Ball wasn't your average child, teen, woman, mother; she was different. Decades after her death, it's still difficult to forget the first pregnant woman to play a pregnant woman on TV. Lucille Ball was also the first woman to run a major studio, which is just one of the many firsts for women she achieved as a pioneer in the industry. Lucy, as most of us know her from *I Love Lucy*, the classic sitcom, was a meticulous star as it were. That's why it's still difficult to miss her shows on the likes of Hulu, Amazon, CBS, and Hallmark. But we also know that she was funny, and it would be difficult to reference her. Lucy does a TV commercial and Candy Factory from *Job Switching* from 1952 when reflecting on some TV humor. We know that she was fearless, a little weird, and quotable. We know that she had a keen eye for business, a typical jack of all trades. We know a lot about her. But who was Lucille Ball really? Who were her siblings? How did she grow up? How did she start her career? How did she get to the pinnacle of acting in America? How was her love life? What were her greatest fears? How did she die? These are some of the most pertinent questions everyone who knew Ball has been having, and I bet you've got a few as well. But guess what? Just like Ball, this is not your regular biography. This book is here to present to you the full life of Lucille Ball from her birth, bouncy youth, successful, eventful career, and social life to the time her heart couldn't take it anymore, 77 years into her life. It contains the most interesting facts about her that you'll not get anywhere, well organized, concise, and straightforward enough to give a true, fluid account of the life of Lucille Ball. Here are some of the themes it contains: How Lucille Ball spent her early years, her parents and siblings; How life turned out for her after her dad's death; How Lucille Ball began her modeling and acting careers; How Lucille Ball soared and made her name; How Lucille Ball met Desi Arnaz, the Cuban American playboy; Why Lucille Ball was referred to as Queen of the Bs; How *I Love Lucy* was born; How Lucille Ball's genius met inconceivable fame; Lucille Ball's marriage, divorce, and second love; Lucille Ball's children; Lucille Ball's life after *I Love Lucy*; How Lucille Ball became a leader in the production business; How Lucille Ball died; And so much more. If you think you know much about Lucille, here's your challenge to see how far your memory stretches. And even if you don't know much about her, this biography will usher you into the world of women's firsts in America that will show you how far we've come as a society.
