Cuba Valerie spent idyllic days and nights typing the final draft of *A Moveable Feast* even as Castro's revolution closed in. After Hemingway shot himself Valerie returned to Cuba with his widow Mary to sort through thousands of manuscript pages and smuggle out priceless works of art. It was at Ernest's funeral that Valerie then a researcher for Newsweek met Hemingway's son Gregory and again a chance encounter drastically altered the course of her life. Their twenty one year marriage finally unraveled as Valerie helplessly watched her husband succumb to the demons that had plagued him since childhood. From lunches with Orson Welles to midnight serenades by mysterious troubadours from a rooftop encounter with Castro to numbing hospital vigils Valerie Hemingway played an intimate indispensable role in the lives of two generations of Hemingways. This memoir by turns luminous enthralling and devastating is the account of what she enjoyed and what she endured during her astonishing years of living as a Hemingway.

The Death of Manolete Barnaby Conrad, 2007-07-01 On Thursday August 28 1947 in the bull ring at the Spanish town of Linares a thirty year old millionaire called Manolete Manuel Laureano Rodriguez and a Miura bull named Islero killed each other. Conrad recounts Manolete's extraordinary life in *The Death of Manolete* for the first time in English. He shows the breeding that made the Spanish boy the tempering that made the young torero the sacrifice that made the man the girl who brought him love the acclaim that brought him incredible success and finally its price the undoing that began slowly and ended in one last great afternoon and in an untimely death that put out the brightest flame in Spain. Manolete fired the Latin imagination as no one had done since El Cid. He was a symbol of Latin pride valor and chivalry. But the crowds owned him and he did their bidding and they had bid him to die.
