Fry, 2018-02-20 Guatemala holds a dual image For more than a century travel writers explorers and movie producers have painted the country as an exotic place a land of tropical

emergence of a different kind of writing which began to displace the Boom in the mid 1970s and has flourished ever since
More reader friendly more concerned with the here and now of Latin America the writers of the Post Boom have explored
new areas of Spanish American life and incorporated characters from new social groups especially young working class and
lower middle class figures with their distinctive pop culture and freewheeling life style Shaw suggests that while some Boom
writers have moved toward the Post Boom Post Boom narrative is distinctively different from that of the older movement and
cannot be readily assimilated into Postmodernism **La Novela corta** ,1923 Los Contemporáneos ,1909 *El hogar*
