

A dramatic, high-contrast painting of Jesus surrounded by a crowd of people. Jesus is in the center, wearing a white robe, with his arms outstretched. He is surrounded by a dense crowd of people, some looking up at him with expressions of awe and devotion. The scene is set outdoors, with a dark, stormy sky in the background. The overall color palette is dominated by dark blues, greys, and whites, with a strong 'X' overlaid on the image.

The Path to Salvation in Luke's Gospel MiJa Wi,2019-05-23 This book investigates Luke's message of salvation in relation to socio economic issues and thus

concerns salvation of the rich as well as the poor With a narrative reading of Luke s Gospel built on careful examination of its socio economic context it demonstrates that Luke s message of salvation is best understood as 1 Divine mercy which champions the cause of the poor and redresses the injustice of the world 2 Its human embodiment and 3 Divine reward promised to those who enact mercy Wi argues that Luke s question of what must we do juxtaposes salvation with doing posing interesting questions with respect to the salvation of the rich This volume highlights good news to the poor in terms of divine mercy and justice shows that the reception of divine mercy calls for practices which embody it and above all clarifies Luke s notion of salvation of the rich which will happen as participation in the salvation of the poor Wi s conclusion challenges its readers by asking the question along with Luke s audience What must we do Acts of the Apostles Ronald J. Allen,2013-05-01 Acts of the Apostles helps the preacher identify possibilities for sermons based on texts and themes in the book of Acts While offering a basic exegetical framework for interpreting passages in Acts in their historical literary rhetorical and theological contexts this volume also suggests ways in which the preacher can relate passages and motifs from Acts to the congregation and world today It also is useful in classes that seek to link text and sermon and for congregational Bible study Throughout his commentary Ron Allen examines the relationship of Acts to the Gospel of Luke discussing parallel passages between the two volumes and observing how themes in the Gospel carry forward into Acts He notes how particular passages contribute to developing themes and to how the awareness of such a theme can contribute to the preacher s work with a particular passage An appendix will posit several sermon series that the preacher could develop on the book of Acts making the book especially useful to ministers who do not follow the lectionary Jesus in Context Darrell L. Bock,Gregory J. Herrick,2005-09 Gathers key extra biblical writings that provide the necessary background for Gospel passages in one handy volume **Living Footnotes in the Gospel of Luke** Luuk van de Weghe,2023-08-29 Did Luke interview eyewitnesses to write his Gospel Living Footnotes in the Gospel of Luke provides a careful thorough examination of Luke s claims Luke 1 1 4 demonstrating that he not only claims to use living sources but also did so It builds a corroborative evidence case towards this end not merely by accumulating unrelated strands of evidence but by showing the interconnectedness of independent lines of subtle clues in Luke s text These historically rich unintentional features weave together to generate a robust impression upon the reader Luke not only relied on living informants but in fact sifted his sources in preference of eyewitness testimony **The Essential Bible Dictionary** Moisés Silva,2025-04-29 Embrace a deeper understanding of the Holy Scriptures with The Essential Bible Dictionary This indispensable reference tool goes beyond an ordinary dictionary to offer in depth insights into important people places and biblical concepts including those that often perplex readers Our unique Bible companion is specially crafted to enhance and streamline your Scripture reading experience emphasizing on proper nouns and specific biblical terms that warrant further explanation The Essential Bible Dictionary is a visual guide to Scripture s people places and themes that will aid your study with Comprehensive definitions

*Bible studies: the Internat. Sunday sch. lessons for 1889 (-1894).* George Frederick Pentecost, 1889 **John the Baptist as a Rewritten Figure in Luke-Acts** Christina Michelsen Chauchot, 2021-03-14 John the Baptist as a Rewritten Figure in Luke Acts compares the Gospel of Luke's account of John's ministry with those of Matthew Mark and John to make the case for the hypertextual relationship between the synoptic gospels The book is divided into three parts Part I situates the Gospel of Luke within the broader context of biblical rewritings and makes the general case that a rewriting strategy can be detected in Luke while Parts II and III combined offer a more detailed and specific argument for Luke's refiguring of the public ministry of John the Baptist through the use of omitted new adapted and reserved material While the two source hypothesis typically presupposes the independence of Luke and Matthew in their rewritings of Mark and Q Chauchot argues that Luke was heavily reliant on Matthew as suggested by the L M hypothesis Approaching the Baptist figure in the synoptic

gospels from a literary critical perspective Chauchot examines test cases of detailed comparative analysis between them to argue that the Gospel of Luke makes thematic changes upon John the Baptist and is best characterized as a highly creative reshaping of Matthew and Mark Making a contribution to current research in the field of New Testament exegesis the book is key reading for students scholars and clergy interested in New Testament hermeneutics and Gospel writing
