Lukes Report To The Roman Court:

Luke's Report to the Roman Court D. Arthur Walker, 2003-06-01 Luke's Gospel from Scratch Donald L. Griggs, Paul W. Walaskay, 2011-01-01 Building on the foundation of the popular volumes *The Bible from Scratch* The Old Testament for Beginners and *The New Testament for Beginners* Griggs offers a series of volumes based on the individual books of the Bible A leader s guide and a participant section are included for each book This new addition to the series looks at the Gospel of Luke perhaps the most popular Gospel with its stories of the birth of Jesus the boy Jesus conversing in the Temple the good Samaritan the prodigal son the poor widow and her two copper coins and rich Zacchaeus in a sycamore tree *Summoned to the Roman Courts* Detlef Liebs, 2017-02-23 *Summoned to the Roman Courts* is the first work by Detlef Liebs an internationally recognized expert on ancient Roman law to be made available in English Originally presented as a series of popular lectures this book brings to life a thousand years of Roman history through sixteen studies of famous court cases from the legendary trial of Horatius for the killing of his sister to the trial of Jesus Christ to that of the Christian leader Priscillian for heresy Drawing on a wide variety of ancient sources the author not only paints a vivid picture of ancient Roman society but also illuminates how ancient legal practices still profoundly affect how the law is implemented today

Representatives of Roman Rule Joshua Yoder, 2014-11-10 *Luke Acts* contains a wealth of material that is relevant to politics and the relationship between Jesus and his followers and the Roman Empire becomes an issue at a number of points The author s fundamental attitude toward Rome is hard to discern however The complexity of Luke s task as both a creative writer and a mediator of received tradition and perhaps as well the author s own ambivalence have left conflicting evidence in the narrative Scholarly treatments of the issue have tended to survey in a relatively short scope a great amount of material with different degrees of relevance to the question and representing different proportions of authorial contribution and traditional material This book attempts to make a contribution to the discussion by narrowing the focus to Luke s depiction of the Roman provincial governors in his narrative interpreted in terms of his Greco Roman literary context Luke s portraits of Roman governors can be seen to invoke expectations and concerns that were common in the literary context By these standards Luke s portrait of these Roman authority figures is relatively critical and demonstrates his preoccupation with Rome s judgment of the Christians more than a desire to commend Roman rule **The Case against Christ** George G. R. Dekle Sr., 2011-07-12 Some two thousand years ago in a small province of the Roman Empire an obscure Roman governor ordered the execution of a peasant leader It went virtually unnoticed at the time No official report of the event has survived and we would have no memory at all of it except for the efforts of a handful of followers of the condemned man Those followers who kept that memory alive changed the course of history and the results of their efforts continue to reverberate to this day Conventional interpretation says that the execution of Jesus of Nazareth came on the heels of a series of illegal trials before a number of different tribunals and at the culmination of that series of trials a moral coward by the name of Pontius

Pilate ordered Jesus execution despite being satisfied that he was innocent Revisionist interpretation says that there was no trial at all that Pilate simply executed Jesus because he was a nuisance and that Jesus followers invented the story of his execution as a means of shifting the blame from the Roman government to a group of people whom they despised the Jews Are the Gospels good history or bad propaganda Does a fair reading of the Gospel accounts support either the conventional or the revisionist interpretation of the trial of Jesus Who if anyone should shoulder the blame for the crucifixion of Jesus The Case against Christ seeks to answer these questions by treating the matter as a forensic death investigation and answering the questions as they might be answered by a prosecutor attempting to determine who should be held criminally responsible for the death of Jesus

A Trail of Tears Robert C. Bankhead, 2001 Drawing on texts from all three Synoptic Gospels this series of seven lessons traces the events of Jesus final journey into Jerusalem and toward crucifixion Through the study of parallel passages from Matthew Mark and Luke readers will discover both common elements and disparate viewpoints in the passion narratives Each study includes a listing of texts and themes plus a preparation guide for class members and discussion suggestions for group leaders These practical resources will be useful not only for pastors but for anyone who plans educational opportunities for adults during Lent Use them in combination with Bankhead's other Lenten titles for a complete interrelated program focusing on the journey to the cross Also by Robert C Bankhead Jesus Lonely Road Devotional Guides For Lent And Holy Week Come In And Worship Liturgies And Sermons For Holy Week An active pastor for nearly 40 years Robert C Bankhead has served Presbyterian congregations in North Carolina South Carolina and Virginia He is a graduate of Davidson College B A Columbia Theological Seminary M Div McCormick Theological Seminary D Min and the University of Basel Switzerland D Th Bankhead is currently the Chaplain of the International Seamen's Service in Wilmington North Carolina CSS Pub

Luke's Portrait of Gentiles Prior to Their Coming to Faith Christoph W. Stenschke, 1999 Christoph W Stenschke examines Luke's portrait of the Gentiles state prior to their coming to Christian faith Following the history of research he commences with Luke's direct references to the Gentiles prior to faith and then draws conclusions concerning their state from the Gentile encounter with Jesus and Christian salvation This includes Luke's notes on the condition of Gentiles and on their appropriation of salvation Finally conclusions from Luke's portrayal of Gentile Christians are drawn With his approach

Christoph W Stenschke challenges some previous contributions to Lukan anthropology He argues that the main study in the field J W Taeger *Der Mensch und sein Heil* does not sufficiently consider all the evidence By concentrating on the Gentiles in Luke Act including Samaritans and God fearers the author s thesis covers all the relevant material Contrary to Taeger who suggests that Gentiles do not need salvation as much as correction he discovers that Luke portrays Gentiles prior to faith in a condition requiring God s saving intervention Thorough correction has to accompany and follow this salvation Though allowing for distinct Lukan emphases this portrait is not essentially at odds with that of other NT authors These results further show that the Areopagus speech needs to and can be satisfactorily interpreted in its context and in conjunction with similar statements The author further argues that Luke s narrative sections and the characterization they present should no longer be neglected in favour of the speeches Luke s portrayal of Gentiles prior to faith also bears on his understanding of sin and provides additional justification for the Gentile mission Christoph W Stenschke challenges proposals of Luke s alleged anti Judaism and provides some hitherto little noticed correctives *Resourcing New Testament Studies* Allan J.

McNicol,David B. Peabody,J. Samuel Subramanian,2009-03-01 *Resourcing New Testament Studies* includes fifteen essays contributed by twenty internationally known scholars including representatives from North America Europe Asia Africa and Australia These colleagues joined together to honor David Laird Dungan Emeritus Professor of New Testament and Early Christianity University of Tennessee Knoxville whose impressive teaching research and publishing career has now spanned over four decades Opening Part I In Honor of David L Dungan is a lively and revealing Cooperative Essay on a Collaborative Scholar composed by five of Dungan s colleagues three from the University of Tennessee a fourth from the editorial team with Dungan for *The International Bible Commentary* and the fifth Dungan s friend from childhood and co author of their popular *Sourcebook for the Study of the Gospels* Part I concludes with a full bibliography of Dungan s published work Subsequent Parts of the volume focus on three themes each reflecting some aspect of Dungan s own work Part II The Synoptic Problem Part III Jesus the Gospels and Acts and Part IV Canon Theology and Ethics Contributors to this Festschrift include David R Cartlidge Robert A Derrenbacker Jr William R Farmer David Noel Freedman with Henry Innes MacAdam Albert Fuchs Birger Gerhardsson Jan Lambrecht Adrian Leske David E Linge Sean McEvenue Ralph V Norman Samuel Oyin Obogunrin Charles H Reynolds Hans Hartmut Schroeder Joseph B Tyson William O Walker Jr and the three co editors Allan J McNicol David B Peabody and J Samuel Subramanian **Luke, Judaism, and the Scholars** Joseph B. abundant moral virtue in order to attract to Christianity the high ranking citizen who would recognise in Paul the classical cardinal virtues *Acts: An Exegetical Commentary : Volume 3* Craig S.
