**Deception's Daughter** Cordelia Frances Biddle, 2014-06-17 Philadelphia heiress and amateur sleuth Martha Beale investigates the kidnapping of a society girl on the verge of marriage in Cordelia Frances Biddle's second Martha Beale mystery. Martha Beale, now the guardian of seven-year-old Ella and five-year-old Cai, has just returned to Philadelphia after summering in the country. The children have to begin school and Martha looks forward to a reunion with Thomas Kelman, even though she isn't sure where their relationship stands. But a string of robberies is plaguing the city and the nineteen-year-old daughter of one of Philadelphia's wealthiest families has vanished. With no unified police force, the mayor depends on Thomas Kelman to sort out criminal matters. Martha reluctantly acts as a liaison between Thomas and the missing girl's parents, but the investigation soon takes a darker turn. As suspicion falls on rich and poor alike, both the guilty and innocent become ensnared in a web of deception and escalating violence.     **Whispers in the Cradle** Brittany

Weinberger, 2025-01-28 I grew up singing them. You did too. Cheerful nursery rhymes that seemed so harmless, innocent songs passed down through generations, filling our childhoods with laughter and melody. But what if I told you those playful verses were hiding something much darker? Something far more sinister. In *Whispers in the Cradle*, I set out to unravel the chilling truths buried beneath these seemingly sweet songs. What I discovered was a haunting web of history, tales of plague and suffering, murder and rebellion, betrayal and survival, all hidden in plain sight. These rhymes, meant for children, are veiled echoes of humanity's darkest moments. How could something as innocent as *London Bridge is Falling Down* carry the weight of destruction and death? Why does *Ring Around the Rosie* feel eerily like a whispered funeral dirge? And who or what really inspired *The Muffin Man*? With each page, I peeled back the layers of folklore and unearthed stories of political intrigue, forbidden faiths, brutal punishment, and untold tragedy. This isn't just a collection of familiar tunes; it's a descent into the shadowy corners of history where nursery rhymes served as coded messages, laments, and warnings. They speak of kings toppled, children exploited, families torn apart, and lives consumed by fire, famine, and fear. These songs were never as innocent

as they seemed If you think you know nursery rhymes think again Whispers in the Cradle will shatter everything you thought you understood about the melodies of your childhood Some truths are too dark to stay buried and some whispers too haunting to ignore What secrets have we been singing all along     **Books in Print** ,1991     **The Valentine Hostage**
