## **Lurcher Training And Hunting:**

*The Lurcher* Frank Sheardown,1996 This book is about dogs that result from the matings of a longdog and other breeds such as gundogs guard dogs or sheepdogs      Tales of a Rat-Hunting Man David Brian Plummer,2000-10      **Practical Lurcher Breeding** ,      *The Working Lurcher* Jackie Drakeford,2006-07-28 Working Lurcher takes the reader through the basic standards required in a lurcher that is about to start work and describes the different quarry species and the traditional methods of bringing each to hand as well as the types of lurcher best suited to each task The book covers all aspects of traditional lurcher work undertaken before the 2004 hunting ban Jackie Drakeford gives fascinating details of the lurcher at work as well as descriptions of her own hunting experiences      In Pursuit of Coney David Brian Plummer,2001-04      *Lepus* David Brian Plummer,2000-10      **Rogues and Running Dogs** David Brian Plummer,1997-12 Plummer s reminiscences of his early lurchers and the men that bred them of poaching coursing and dog fighting with his views on the different crosses used in breeding lurchers An excellent book about lurchers and their raffish owners Shooting Times      **Adventures of an Artisan Hunter** David Brian Plummer,2000-10 Account of Plummer s development as a hunter from boyhood exploits with lurcher and terrier to adulthood with many interesting digressions Includes chapters on cock fighting and bird catching cooking and eating badgers foxes and rats hawks and hawking Although Plummer often comes across as bonkers many of his apparently eccentric actions such as badger eating or covering himself with a concoction of badger grease and herbs were experiments to establish the plausibility of claims made by other writers Being perpetually surrounded by people incapable of sharing this pioneering spirit of enquiry seems the source of his restlessness and the driving force behind the hundreds of books he wrote in his lifetime This is not to say that Plummer did not have deep problems as he himself describes in Hancock s *My Life with Lurchers*      **Diary of a Hunter** David Brian Plummer,2002-03 an entertaining and unusual record of a year s activities with a pack of Jack Russell terriers half a dozen lurchers as many ferrets and a varied cast of human characters Terrier lurcher and ferret breeding lots of rat hunting as well as rabbiting a bit of falconry and much else besides Also includes an inside account of the television documentary which was made about the author *Rat Hunting Man*      **Omega** David Brian Plummer,2002-03 The story of Plummer s most famous Jack Russell bitch      *Merle* David Brian Plummer,2000-08 The background breeding and life of Plummer s most famous lurcher      *Tales from the Field* Penny Taylor,2012 My life revolves around my lurchers and terriers and the work they do in the field This book is a compilation of hunting tales about the dogs to whom I owe so much it recalls events which took place before the ban as well as those of more recent years It examines the close relationship I have with my dogs their successes and failures and the disasters which sometimes befall those who try their utmost each and every time they pursue their quarry This book is dedicated to working dogs the world over      The Working Bedlington John Glover,1999-03      The House Lurcher Jackie Drakeford,2019-06-06 Learn how to live happily with your lurcher at home and in public and how to establish a sound recall so your lurcher can be

exercised with confidence off the lead All aspects of owning and training lurchers are covered in detail with special attention given to those coming in from rescue homes

**Our Debt to the Dog** Bryan D. Cummins,2013-11-07 When Homo sapiens met Canis lupus lupus millennia ago the result was Canis lupus familiaris the domestic dog Since that fateful encounter the dog has become arguably humankind s greatest creation The domestic dog is the most widely distributed species other than ourselves in the world being found virtually wherever people live and is also the most diversified of species with literally hundreds of recognized breeds While we have shaped the dog it too has helped shape human history in innumerable ways Our Debt to the Dog is a critical historical and cross cultural examination through the use of case studies of this most improbable 15 000 year relationship and an exploration of how this relationship shaped the history of the world It is also very much an apology to the dog because over the course of the partnership horrific acts were perpetrated against it intentionally and otherwise Our Debt to the Dog enriches our understanding of the dog and extends our appreciation for the profound complexity of past and present human canine relationships and the dog s contributions to our lives and our world

Jackie Drakeford,2000 The lurcher has been with us for thousands of years Large or small rough or smooth images of lurchers have appeared over the years in paintings in tapestries or on pottery What is the attraction of these dogs Perhaps it lies in the strong bond that must be formed as a result of the close working relationship a hunting dog must forge with its
