

The background of the entire page is a painting of a vast, snow-covered mountain range. The mountains are layered, with some peaks in the foreground and others receding into the distance. The sky is a pale, hazy blue. The overall tone is cold and majestic.

Labrador Trail Dillon Dillon Wallace, 2018-05-09 In the summer of 1903 when Leonidas Hubbard Jr went to Labrador to explore a section of the unknown interior it was my privilege to accompany him as his companion and friend The world has heard of the disastrous ending of our little expedition and how Hubbard fighting bravely and heroically to the last finally succumbed to starvation Before his death I gave him my promise that should I survive I would write and publish the story of the journey In The Lure of The Labrador Wild that pledge was kept to the best of my ability While Hubbard and I were struggling inland over those desolate wastes where life was always uncertain we entered into a compact that in case one of us fall the other would carry to completion the exploratory work that he had planned and begun Providence willed that it should become my duty to fulfil this compact and the following pages are a record of how it was done Not I but Hubbard planned the journey of which this book tells and from him I received the inspiration and with him the training and experience that enabled me to succeed It was his spirit that led me on over the wearisome trails and through the rushing rapids and to him and to his memory belong the credit and the honor of success **The Lure Of The Labrador Wild** Dillon

Wallace, 2020-08-12 How would you like to go to Labrador Wallace It was a snowy night in late November 1901 that my friend Leonidas Hubbard Jr asked me this question All day he and I had been tramping through the snow among the Shawangunk Mountains in southern New York and when the shades of evening fell we had built a lean to of boughs to shelter us from the storm Now that we had eaten our supper of bread and bacon washed down with tea we lay before our roaring

campfire luxuriating in its glow and warmth Hubbard's question was put to me so abruptly that it rather startled me Labrador I exclaimed Now where in the world is Labrador *The Lure of the Labrador Wild* Dillon Wallace,2013-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy The Lure of the Labrador Wild Dillon Wallace,2022-09-04 In *The Lure of the Labrador Wild* Dillon Wallace crafts a compelling narrative that intertwines adventure with an exploration of the natural world Set against the vast and uncharted landscapes of Labrador the book chronicles Wallace's harrowing journey with heroism and introspective reflections on the wilderness Employing a vivid lyrical style Wallace captures both the beauty and brutality of his environment offering readers a poignant meditation on man's relationship with nature during the early 20th century a time when exploration and adventure literature thrived amidst burgeoning scientific curiosity Dillon Wallace an accomplished Canadian author and explorer was profoundly affected by his own escapades in the Canadian wilderness making this work both personal and relatable His previous experiences combined with a deep respect for Indigenous cultures and the untamed natural world inspired him to craft this gripping tale that serves as both travelogue and cautionary tale Wallace's keen observations and clear prose reflect his admiration for the natural world as well as the challenges faced by those who venture into its depths This book is highly recommended for avid adventurers nature enthusiasts and those seeking an authentic portrayal of exploration in its rawest form Wallace's evocative storytelling invites readers to experience the awe and peril of uncharted territories making *The Lure of the Labrador Wild* an essential addition to any literary exploration shelf **The Long Labrador Trail** Dillon Wallace,2005-05-01 This is a pre 1923 historical reproduction that was curated for quality Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process Though we have made best efforts the books may have occasional errors that do not impede the reading experience We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the preservation of printed works worldwide ,
